Excerpt from Bible Lands Their Modern Customs and Manners Illustrative of Scripture In every nation however usages are found which can not be explained or accounted for by a reference to the physical character of the country These customs have an historical original lost and forgotten perhaps in the lapse of time but still maintaining its sway over the minds and manners of those who have inherited them The fact that the customs now prevalent in Bible lands are so different from those of the West and yet essentially identical with the ancient manners of the East is of the greatest practical importance to the Biblical student The Hebrew commonwealth has perished its people are scattered among all the nations of the earth whose manners they have adopted The principal clue therefore to what they once were and our chief means of explaining much that is obscure in Holy Writ will be found in the customs of the modern East And we propose in the second part of the present work to consider all such details of Oriental life as appear to have in the main an historical origin About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

revealing the significance behind many of the events and teachings that might otherwise be lost to contemporary audiences Tristram s work is thoroughly researched and enriched by his personal travels and observations making it both authoritative and accessible His detailed accounts of life in Bible lands offer readers a fresh perspective on familiar stories enhancing their appreciation of the cultural and historical context in which the Bible was written This book is an invaluable resource for Bible students scholars and anyone interested in the cultural background of the Scriptures Eastern Customs in Bible Lands not only enhances the study of the Bible but also deepens the reader s connection to the ancient world providing a richer and more nuanced understanding of the text H B Tristram s insightful analysis and evocative writing make Eastern Customs in Bible Lands a timeless work that continues to offer fresh perspectives on the Bible and its enduring relevance **Bible**
