

A person wearing a dark jacket and a hood is seen from behind, standing on a grassy hillside. They are looking out over a vast landscape of rolling hills and valleys under a cloudy sky. The text is overlaid on the image in a white, handwritten-style font.

Every human being

Is There Life After Death For many death is terrifying We try to live as long as possible while hoping that science will soon find a way to allow us to live if not forever then at least a very long time Whether we deny our mortality though literal or symbolic immortality or try to turn death into something benign our attempts fail us But what if the real solution is not in denying death s reality but in acknowledging it while enjoying a hope for a wonderful forever Clay Jones a professor of Christian apologetics explores the ways people face death and how these immortality projects are unsuccessful even destructive Along the way he points to the hope of the only true immortality available to all the truth that God already offers a path to our hearts deepest longing glorious resurrection to eternal life

In this era of increased knowledge the essence of religious phenomena eludes the psychologists sociologists linguists and other specialists because they do not study it as religious According to Mircea Eliade they miss the one irreducible element in religious phenomena the element of the sacred Eliade abundantly demonstrates universal religious experience and shows how humanity s effort to live within a sacred sphere has manifested itself in myriad cultures from ancient to modern times how certain beliefs rituals symbols and myths have with interesting variations persisted      *Faith and Immortality* Ebenezer Griffith-Jones,1917      *The Witness to Immortality in Literature, Philosophy and Life* George Angier Gordon,1893      *Man's Search for Immortality* Gerald David,1975      **Systematic Theology: Volume III - The Doctrine of Salvation** Augustus Hopkins Strong,2017-04-09

This final volume finishes off the talk of the doctrine of soteriology and the work of Christ and the Holy Spirit within the Bible The next session deals with the topic of the church and its place within the world and the teachings of scripture about how the church is to be united with Christ when in the final section the eschaton happens and the world is renewed to a sinless state with Christ s return Also covered is the topic of the intermediate state and what happens when we die      Concord George Bradford Bartlett,1885      **Concord: Historic, Literary and Picturesque** George Bradford Bartlett,1895      **The Immortality Factor** Osborn Segerberg,1974
