**Mantra and the Modern Man** Prabha Duneja,1999      Run they said.... War of the Mind Gary Niel Hitching,2022-11-30  
Mental health is a journey it has lots of ups and downs Just like life we never know which way it will go from happiness to sadness from worry to not a care in the world There are books films and discussions which try to tell you which way to turn when realistically you are the only one who holds the answers Sometimes though you need a bit of help and that s what I got from the strangest place inside my head A poet whenever there was trouble he appeared and led me back to happiness helping me on my journey My friend the poet plotted my pathways and shaped my future carving my destiny as we went through the darkest periods of my life with the only support coming from within and from the pen which indeed is mightier than the sword It can write or draw happier days and times even if the parchment is used and damaged From darkness into light through inner strength and the spoken and written word Si vis pacem para bellum      **The Enigmatic Voice of God**  
Dr. Rev. Narayan Uchigaki,2007-10-24 In *The Enigmatic Voice of God* the author outlines a path for bringing harmony into the world by awakening the dormant mythical character of human intelligence and by reconciling human behavior with nature The book is a tasteful blend of science philosophy history and religion Poems by the author have been selected to elevate the spirits of the reader Particularly fascinating are the authors accounts of extraordinary experiences and revelations from a higher power      **Our Beloved Osho** Arvind Swami Chaitanya,2001      *Embodying the Vedas* Borayin Larios,2017-04-10 Popularly Hinduism is believed to be the world s oldest living religion This claim is based on a continuous reverence to the oldest strata of religious authority within the Hindu traditions the Vedic corpus which began to be composed more than three thousand years ago around 1750 1200 BCE The Vedas have been considered by many as the philosophical cornerstone of the Brahmanical traditions stika even previous to the colonial construction of the concept of Hinduism However what can be pieced together from the Vedic texts is very different from contemporary Hindu religious practices beliefs social norms and political realities This book presents the results of a study of the traditional education and training of Brahmins through the traditional system of education called gurukula as observed in 25 contemporary Vedic schools across the state of Maharashtra This system of education aims to teach Brahmin males how to properly recite memorize and ultimately embody the Veda This book combines insights from ethnographic and textual analysis to unravel how the recitation of the Vedic texts and the Vedic traditions as well as the identity of the traditional Brahmin in general are transmitted from one generation to the next in contemporary India      **Hinduism** Panikkar, Raimon,2016-12-15      Mantra & the Modern Man Prabha Duneja,1995      **Mantra and the Modern Man** ,2019      At a Journal Workshop Ira Progoff,1992-05-01 What would you like your life to be Ira Progoff s Intensive Journal Process combines one of the oldest methods of self exploration and expression keeping a journal with a structured format that enables you to get to know the inner core of your life on ever deeper levels and gain a fuller perspective on where you are The Intensive Journal Process also
