The Microsoft Way Randall E. STROSS,1997      HWM ,2005-02 Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews      **Creating the Digital Future** Albert Yu,1998 Albert Yu reveals how one of the world's most admired high technology companies Fortune invented nine hugely successful generations of microprocessors to become the undisputed trailblazer in the advance of silicon technology He describes how exchanges among customers marketers and engineers generate sparks that spawn great products and how often furious differences of opinion are resolved through constructive confrontation Above all Yu demonstrates how Intel has prevailed by learning from costly mistakes in fierce take no prisoners competition with Motorola and Sun for strategic supremacy of the high technology world The most daunting prospect facing every computer company is not failure but success how to continually raise the bar of achievement and outdo themselves This book explains how to raise that bar and how to get this mentality built into the corporate culture      **Warren and Bill** Anthony McCarten,2024-04-30 From the Academy Award nominated screenwriter of *The Theory of Everything* *Darkest Hour* and *The Two Popes* comes the fascinating account of Bill Gates and Warren Buffett's friendship one of the most impactful relationships in history and the basis of an upcoming play and film Few friendships have had such far reaching implications for the world from finance to technology to philanthropy than that between Bill Gates and Warren Buffett After meeting at a party in 1991 the two played cards and golf shared jokes swapped trade secrets ate junk food talked and listened Their growing friendship would impact each man and lead to change on a grander scale culminating in the development of the Bill and Melinda Gates Foundation which holds nearly 50 billion in assets How did such an unusual union blossom In what ways specifically did each man begin to influence the other How did these two avid wealth accumulators jointly decide to address some of the world's most critical problems poverty disease inequality by giving their wealth away And what finally does their giga wealthy partnership mean for the rest of us in an age of great wealth and great inequality This book gives the fullest account yet of this extraordinary relationship and explores how it has transformed these two men and is changing the world for the better for all of us      **The Secret Diary of Bill Gates** Bill G.,2012-12-18 This book is a compilation of a full year's entries from the website *The Secret Diary of Bill Gates* which details the daily doings of Microsoft's head honcho in a parodic format      **Computer Confluence** George Beekman,1999      *Federal Register* ,2002-05-03      How the Internet Happened Brian McCullough,2018-10-23 A Library Journal Best Book of the Year Tech guru Brian McCullough delivers a rollicking history of the internet why it exploded and how it changed everything The internet was never intended for you opines Brian McCullough in this lively narrative of an era that utterly transformed everything we thought we knew about technology In *How the Internet Happened* he chronicles the whole fascinating story for the first time beginning in a dusty Illinois basement in 1993 when a group of college kids set off a once in an epoch revolution with what would become the first dotcom Depicting the lives of now famous innovators like

Netscape's Marc Andreessen and Facebook's Mark Zuckerberg McCullough also reveals surprising quirks and unknown tales as he tracks both the technology and the culture around the internet's rise Cinematic in detail and unprecedented in scope the result both enlightens and informs as it draws back the curtain on the new rhythm of disruption and innovation the internet fostered and helps to redefine an era that changed every part of our lives **Digital Leapfrogs** Vijay

Mahajan, 2022-04-07 In north India Laxman a truck driver takes great pride in his work Earlier in the day he had driven his truck to the Pataudi hub exchanged trailers and was able to drive back to Jaipur about 250 kilometres and four to five hours each way Unlike other truck drivers in India he had more free time and could go home rather than stay on the road for days on end He works for a company called Rivigo that uses digital technologies to create what it calls relay as a service which makes it possible for drivers to relay trailers from hub to hub allowing them to stay within a certain distance of their home and spend more time with family In Kerala Genrobotics a start up has created Bandicoot a 50 kg spider like robot designed to shimmy down manholes and extract the waste that clogs sewers Working wirelessly it can do in twenty minutes what two or three manual scavengers would do in three to four hours ensuring safety and efficiency In the aftermath of Covid 19 pandemic the Indian government's digital platform COWIN is helping ensure vaccination of the world's largest democracy with maximum efficacy The platform has now been made open source for all countries to adapt and use Every day it becomes all too obvious how critical a role these technological innovations will play in the continued emergence of developing countries and the 86 per cent of global consumers who work shop play live and dream like consumers anywhere else in the world Backed by comprehensive data and extensive research covering over 150 organizations Digital Leapfrogs illustrates how these technologies are changing markets and lives throughout the developing world from its upscale urban neighbourhoods to its downtrodden slums and its far flung rural farming regions Understanding the nature and power of these platforms and technologies will reveal critical insights into how they can transform entire economies open vast new market opportunities and enhance the welfare of billions of people *Information Systems* Steven R.
