**Delusions** Timothy R. Pauketat, 2007-05-30 In recent decades anthropology especially ethnography has supplied the prevailing models of how human beings have constructed and been constructed by their social arrangements In turn archaeologists have all too often relied on these models to reconstruct the lives of ancient peoples In lively engaging and informed prose Timothy Pauketat debunks much of this social evolutionary theorizing about human development as he ponders the evidence of chiefdoms left behind by the Mississippian culture of the American southern heartland This book challenges all students of history and prehistory to reexamine the actual evidence that archaeology has made available and to do so with an open mind      **Following the Mississippian Spread** Robert A. Cook, Aaron R. Comstock, 2022-06-29 This book

is the first to specifically trace the movement of Mississippian maize farmers throughout the US Midwest and Southeast By providing a backdrop of shifting climatic conditions during the period this volume also investigates the relationship between farmers and their environments Detailed regional overviews of key locations in the Mississippi Valley the Ohio Valley and the peripheries of the Mississippian culture area reveal patterns and variation in the expression of Mississippian culture and interactions between migrants and local communities Methodologically the case studies highlight the strengths of integrating a variety of data sets to identify migration The volume provides a broader case study of the links between climate change migration and the spread of agriculture that is relevant to archaeologists and anthropologists studying early agricultural societies throughout the world Key patterns of adaptation to and mitigation of the effects of droughts for example provide a framework for understanding the options available to societies in the face of climate change afforded by the time depth of an archaeological perspective      *The Land of Prehistory* Alice Beck Kehoe, 2015-12-22 First published in 1998 Routledge is an
