Middle High German Reader With Grammar Notes And Glossary:

A Middle High German reader Maurice O'Connell Walshe, 1974 *A Middle High German-Primer* Joseph Wright, 2017-08-30 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates *The Oxford Guide to Middle High German* Howard Jones, Martin H. Jones, 2019-05-15 The Oxford Guide to Middle High German is the most comprehensive self contained treatment of Middle High German available in English It covers the language literature history and culture of German in the period from 1050 to 1350 and is designed for entry level readers advanced study teaching and reference The book includes a large sample of texts not only from Classical works such as Erec the Nibelungenlied Parzival and Tristan but also from mystical writing chronicles and legal documents the selection represents all major dialects and the full time span of the period The volume begins with an introduction that defines Middle High German linguistically geographically and chronologically Chapter 2 then provides a detailed exploration of the grammar covering sounds and spelling inflectional morphology syntax and lexis Each section in this chapter begins with a summary of the main points followed by detailed paragraphs for in depth study and reference Chapter 3 deals with versification discussing metre rhyme lines of verse in context and verse forms and includes practical tips for scansion Chapter 4 offers an account of the political and social structures of Medieval Germany and a survey of the principal types of texts that originated in the period The final chapter of the book comprises over forty texts each placed in context and provided with explanatory footnotes the first two texts to be taken together with the introductory grammar sections are aimed at newcomers A glossary provides full coverage of the vocabulary appearing in the texts and throughout the book **Introduction To Library Research In German Studies**

Larry L. Richardson, 2019-03-01 This book introduces Germanists to the mechanics and methodology of modern library research. It explains the use of various bibliographic access systems providing step by step search strategies to the most modern computerized data bases for the whole field of German studies. An Introduction to Middle High German Howard Jones, Martin H. Jones, 2024-07-10 An Introduction to Middle High German is a dedicated student edition of The Oxford Guide to Middle High German Jones OUP 2019 designed for taught courses and self study. It offers a detailed account of the language and literature of German in the period 1050-1350 including an introductory level grammar and a wide selection of texts with extensive explanatory material. Following an initial chapter that defines Middle High German linguistically, geographically and chronologically, the grammar and lexis chapters offer a self contained introduction to the language. The user friendly and accessible grammatical descriptions and explanations will allow entry level students to gain sufficient knowledge of the language to read and understand a range of Middle High German texts. Chapter 4 comprises thirty textual passages each placed in context and with extensive explanatory footnotes to facilitate their use in teaching and class discussion. The volume also offers two essential glossaries: the first covering linguistic terms and the second offering definitions of the Middle High German vocabulary that appears throughout the book.
