**Philosophical Dilemmas** Phil Washburn,2014 Philosophical Dilemmas is a historical and thematic introduction to philosophy The chapters are organized around traditional philosophical questions Each presents two historical figures with different views followed by two brief essays in a contemporary idiom defending opposing answers to the traditional question

The main goals of the text are to help students enter the debates about important questions learn about great philosophers practice critical thinking skills and develop their own views on philosophical questions This book is ideal for Introduction to Philosophy courses It can also be used in Critical Thinking courses that cover philosophical content This topically organized text clearly outlines the positions of major philosophers and offers succinct pro and con arguments for these positions

*Barth and God's Story* David F. Ford,2008-07-01 Karl Barth interpreted the Bible in a creative and controversial way One key to his method is his handling of biblical narratives He argues from them to his theological conclusions in ways that have many parallels with the literary criticism of realistic novels The role of the resurrection of Jesus in the Gospel story is perhaps the most fascinating question and Barth produces an original and in literary terms extremely sensitive understanding of it The biblical narratives are also vital for his doctrine of God Overall there is in the Church Dogmatics a Christian spirituality that is based on reading the Bible in a particular way Narrative has been one of the richest themes in recent Christian theology Its importance in all religions and cultures is obvious and one of the most powerful factors in the way the Bible crosses barriers of time and place is its inclusion of so many good stories But what happens when these stories are rigorously examined and reflected upon in theology What is the relationship of theological to literary interpretation How can stories be central to a theology while keeping their integrity as vivid universal literature There is no general answer to such questions I have taken one modern theologian of international significance Karl Barth By concentrating on that part of his method which has to do with narrative I have attempted both to offer a new assessment of his achievement and also to open a door into his works that will help to make them accessible to those of many backgrounds and cultures with a keen interest in narrative and literature from the Preface
