Midnight Angel Karen Wiesner,2015-02-25 Roxanne Hart has endured a jet set life as a model living at the height of fashion and luxury traveling from one end of the globe to the other She s allowed the world and those close to her to believe she indulges in as many superficial romances as she wants to hide the truth But she s never been satisfied by any of it The only relationship that haunts her was borne out of a bet and should have been uncommitted and forgettable Even years after it ended it s anything but The love of her life was like a midnight angel there and then gone reality within a dream every fear realized or the ultimate wish come true Jamie Doobs Dubois panicked and wrecked the best thing that ever happened to him when Rox told him she loved him during their short intense interlude as lovers He s been a vagabond and rogue all his life just like his father and the only siren he s heeded is that of the water where he lives on his father s small yacht and makes his living running charters Unfortunately Rox wasn t the first person he loved that he d run away from His deep seated guilt and transient self worth have kept him from meeting the son he and a girlfriend conceived when they were just kids themselves But the realities of shattered love loneliness and ultimately death make him see how short life really is and how little is gained by hiding and never reaching for what you want most of all Learning that she has cancer Rox s priorities shift from everything she has in life to everything she doesn t Even as she becomes sicker she s determined to do all the things she s always wanted to so she can say at the end that she has no regrets like letting herself love her midnight angel even with the more than a little likely chance that she ll lose everything
