America's Most Famous Catholic (According to Himself) Stephanie N. Brehm, 2019-09-03 For nine years Stephen Colbert's persona Colbert a Republican superhero and parody of conservative political pundits informed audiences on current events politics social issues and religion while lampooning conservative political policy biblical literalism and religious hypocrisy To devout vocal and authoritative lay Catholics religion is central to both the actor and his most famous character Yet many viewers wonder Is Colbert a practicing Catholic in real life or is this part of his act America's Most Famous Catholic According to Himself examines the ways in which Colbert challenges perceptions of Catholicism and Catholic mores through his faith and comedy Religion and the foibles of religious institutions have served as rich fodder for scores of comedians over the years What set Colbert apart on his Comedy Central show The Colbert Report was that his critical observations were made more powerful and harder to ignore because he approached religious material not from the predictable stance of the irreverent secular comedian but from his position as one of the faithful He is a Catholic celebrity who can bridge critical outsider and participating insider neither fully reverent nor fully irreverent Providing a digital media ethnography and rhetorical analysis of Stephen Colbert and his character from 2005 to 2014 author Stephanie N Brehm examines the intersection between lived religion and mass media moving from an exploration of how Catholicism shapes Colbert's life and world towards a conversation about how Colbert shapes Catholicism Brehm provides historical context by

discovering how Colbert compares to other Catholic figures such as Don Novello, George Carlin, Louis C.K. and Jim Gaffigan who have each presented their views of Catholicism to Americans through radio, film and television. The last chapter provides a current glimpse of Colbert on *The Late Show* where he continues to be voice for Catholicism on late night now to an even broader audience. America's Most Famous Catholic According to Himself also explores how Colbert carved space for Americans who currently define their religious lives through absence, ambivalence and alternatives. Brehm reflects on the complexity of contemporary American Catholicism as it is lived today in the often ignored form of Catholic multiplicity, thinking Catholics, cultural Catholics, cafeteria Catholics and lukewarm Catholics or what others have called Colbert Catholicism, an emphasis on the joy of religion in concert with the suffering. By examining the humor in religion, Brehm allows us to see clearly the religious elements in the work and life of comedian Stephen Colbert.

Who Did It First? Bob Leszczak, 2014-03-13 Everybody has to start somewhere. Businessmen start on the ground floor and try to work their way up the corporate ladder. Baseball players bide their time in the minor leagues, wishing for an opportunity to move up and play in the majors. Musical compositions aren't very different; some songs just don't climb the charts the first time they're recorded. However, with perseverance, the ideal singer, the right chemistry, impeccable timing, vigorous promotion and a little luck, these songs can become very famous. So writes Bob Leszczak in the opening pages of *Who Did It First: Great Pop Cover Songs and Their Original Artists*. In this second volume in the *Who Did It First* series, Leszczak explores the hidden history of the most famous, indeed, legendary pop songs and standards. As he points out, the version you purchased, swayed to, sang to and grew up with is often not the first version recorded. Like wine and cheese, some tunes do get better with age and behind each there is a story. Included are little-known facts and amusing anecdotes often gathered through Leszczak's vast archive of personal interviews with the singers and songwriters, record producers and label owners who wrote, sang, recorded and distributed either the original first cut or one of its classic covers. The second in a series of titles devoted to the story of great songs and their revival as great covers, *Who Did It First: Great Pop Cover Songs and Their Original Artists* is the perfect playlist builder. So whether quizzing friends at a party, answering a radio station contest or just satisfying an insatiable curiosity to know who really did do it first, this work is a must-have.

Midnight Confessions Robyn Carr, 2017-12-11 Come back to Virgin River for New Year's Eve in this classic holiday romance from #1 New York Times bestselling author Robyn Carr. In Virgin River, holiday kisses don't end with Christmas; there's still the inaugural New Year's Eve party at Jack's Bar to attend. Locals and newcomers alike find themselves eager for that special countdown and that midnight kiss. Drew Foley and Sunny Archer are each visiting Virgin River for the holidays. Sunny was dumped at the altar the previous New Year's Eve and is in no mood to celebrate. But her uncle and his fiancée drag her to Jack's Bar. Drew, getting over his own heartbreak, sees Sunny across the crowded room and he's instantly smitten. As the townspeople gather, two lonely revelers decide the best balm for their broken hearts might just be each other. Originally published in 2010.
