Eric Banister,2016-05-12 When Southern rock acts like the Allman Brothers and Lynyrd Skynyrd stormed American concert stages detractors immediately came to the fore declaring the genre to be little more than a marketing gimmick But those on stage themselves would have called its appearance not only inevitable but also a way of life In the end the musicians who played Southern rock reflected a robust and broad variety of influences drawing deeply from the wellsprings of blues rock country

and even jazz listeners gravitated to the sounds of the New South a place that had captured pop culture's imagination amid the turbulence following President Nixon's successful Southern strategy and silent majorities Southern rock garnered a second wave of enthusiasm with the rise of the urban cowboy and Bill Clinton's ascension to the presidency For nearly half a century Southern rock has captured and expressed the energy of the New South inspiring a legacy that listeners can still hear from jam bands indie acts and mainstream country musicians In Counting Down Southern Rock The 100 Best Songs C Eric Banister considers the best songs to emerge from the bands who made Southern rock what it is Banister examines the impact of the songs on the society and culture of devoted fans and delves deep into the history and production of each song Featuring such well known bands as the Allman Brothers Band and Lynyrd Skynyrd as well as less visible groups like Blackhorse and Heartsfield this book is the perfect introduction for both newbies and dedicated fans *The Bootleg Guide* Garry Freeman,2003-07-14 The Bootleg Guide is the ultimate in reference works for the 1960s and the 1970s bootleg recordings Within these pages lies a history of rock at its best as performed on stage or in the studio Each entry is catalogued by title date featured tracks and contains a quality rating and comments on the nature and origin of the recording Cross references are provided to other titles and extensive information is available on alternate titles of bootlegs In many cases quirky facts about a particular title are given something that in itself may make a title a highly desirable and sought after rarity amongst collectors Limited editions are listed to help the reader and collector develop a clearer picture of just how obtainable a bootleg may be Bootlegs are unofficial live and studio recordings of artists and bands that are released onto vinyl tape or CD By definition most are so rare that they change hands only for vastly inflated sums or are traded by networks of dedicated collectors worldwide Serious fans and collectors have been known to spend as much as 225 for an original scratchy vinyl recording of bands like Deep Purple and the Grateful Dead dating back to the early seventies The rarest of all are akin to valuable paintings as far as collectors and traders are concerned **Midnight Rider** Laura Pender,1994

tapestry of passion hope and courage an inexorable struggle for redemption The need to purchase some saddle horses to assist in driving his Black Angus cattle up to the government range pastures for summer grazing was the primary impetus for the meeting with the female debutante as the rancher desperately needed saddle horses One lonely night sleeping alone in the comfort of her bed she was abruptly awakened by a mysterious intruder who snuck into the bedroom and repeatedly raped her and subsequently disappeared in the darkness without leaving a trace of evidence behind him As a result she knew she ought to report the incident to the police and then run quickly off to the local hospital for a medical examination Investigators would ultimately have to interview all the possible male suspects who work or reside on both her husband s and her father s ranch during the last year Regardless the police would be waiting patiently to receive the DNA results before determining whether the alleged assault was perpetrated as a forcible rape or whether it was an amorous rendezvous for two consenting conspirators who planned organized and flawlessly executed a clandestine tryst while the husband was away at a convention
