Now a major television series from Apple TV starring Charlie Hunnam It took me a long time and most of the world to learn what I know about love and fate and the choices we make but the heart of it came to me in an instant while I was chained to a wall and being tortured An escaped convict with a false passport Lin flees maximum security prison in Australia for the teeming streets of Bombay where he can disappear Accompanied by his guide and faithful friend Prabaker the two enter the city s hidden society of beggars and gangsters prostitutes and holy men soldiers and actors and Indians and exiles from other countries who seek in this remarkable place what they cannot find elsewhere As a hunted man without a home family or identity Lin searches for love and meaning while running a clinic in one of the city s poorest slums and serving his apprenticeship in the dark arts of the Bombay mafia The search leads him to war prison torture murder and a series of enigmatic and bloody betrayals The keys to unlock the mysteries and intrigues that bind Lin are held by two people The first is Khader Khan mafia godfather criminal philosopher saint and mentor to Lin in the underworld of the Golden City The second is Karla elusive dangerous and beautiful whose passions are driven by secrets that torment her and yet give her a terrible power Burning slums and five star hotels romantic love and prison agonies criminal wars and Bollywood films spiritual gurus and mujaheddin guerrillas this huge novel has the world of human experience in its reach and a passionate love for India at its heart *Transactions of the Royal Society of Edinburgh* Royal Society of Edinburgh,1902 [Catalog of Copyright Entries. Thorne,2021-06-29 Behind the Magic Curtain Secrets Spies and Unsung White Allies of Birmingham s Civil Rights Days is a remarkable look at a historic city enmeshed in racial tensions revealing untold or forgotten stories of secret deals law enforcement intrigue and courage alongside pivotal events that would sweep change across the nation Birmingham Alabama gave birth to momentous events that spawned the Civil Rights Act of 1964 and affected world history But that is not why it is known as The Magic City It earned that nickname with its meteoric rise from a cornfield valley to an industrial boomtown in the late 1800s Images of snarling dogs and fire hoses of the 1960s define popular perception of the city obscuring the complexity of race relations in a tumultuous time and the contributions of white citizens who quietly or boldly influenced social change Behind the Magic Curtain peels back history s veil to reveal little known or never told stories of an intriguing cast of characters that include not only progressive members of the Jewish Christian and educational communities but also a racist businessman and a Ku Klux Klan member who in an ironic twist helped bring about justice and forward racial equality and civil rights Woven throughout the book are the

firsthand recollections of a reporter with the state's major newspaper of the time. Embedded with law enforcement he reveals the fascinating details of their secret wiretapping and intelligence operations. With a deft hand Thorne offers the insight that can be gained from understanding little known but important perspectives painting a multihued portrait of a city that has figured so prominently in history but which so few really know.
