## Midnight Tableau:

**Midnight Tableau** Michael McCrann, 2004-03-01 Whether it's a young man trapped beneath the sea in the belly of an iron behemoth or an old woman trapped within the confines of an abusive marriage Michael McCrann paints dramatic portraits of people in unpleasant situations. Sometimes they're good people, sometimes they're not so good, but always the characters that inhabit these dark worlds are fleshed out in remarkably vivid dimensions. The twelve tales of dark fiction contained in *Midnight Tableau* are sophisticated, character-driven and crafted for a discerning adult readership. The stories include *Lured*, *La Araña Afortunada*, *Forever Isabella*, *What Needs Doing Will Get Done*, *Awake Down the Cellar*, *The Rubbish Man*, *The Pledge*, *The Wail of the Banshee*, *The Lizard's Tale*, *Close Your Eyes*, *Sweet Angel* and the novella *Coven of the Unwanted*. Each of the settings, from the exotic to the commonplace, are more than mere backdrops. They are carefully fashioned to lure the reader into the fictional nightmare. The plots are filled with thrills and twists. The malevolent forces within range from creepy crawlies and viscous garden gnomes to more esoteric antagonists like an evil little secret from the past. But ultimately it will be the people, the predators as well as the prey, that remain to skulk in the mind for some time to come.

[The Son of the Night](#) Charles Gayler, 1857     **A Composer in Africa** Stephanus Muller, Chris Walton, 2006-01-01 Grov was arguably the first composer to incorporate Black African elements into the fabric of his music, venturing far beyond mere couleur locale to forge a creative synthesis of the indigenous and the Western. His vast oeuvre encompasses every genre from opera and ballet to chamber music, orchestral works and song. But he is also a fine essayist and his short fiction has received praise from Andr P Brink. This is the first study of its kind to be devoted to a South African composer.

Building on research into the esoteric nature of Busoni's Junge Klassizität, this study traces the passage of the esoteric tradition along the Budoni-Petri-Sitsky line.     [The New Music Review and Church Music Review](#), 1927

**Midnight's Children** Salman Rushdie, 2010-12-31 Winner of the Booker prize and twice winner of the Booker of Bookers. *Midnight's Children* is one of the most important books to come out of the English speaking world in this generation. New York Review of Books. Reissued for the 40th anniversary of the original publication with a new introduction from the author. Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15 1947, the very moment of India's independence. magnified in events that sway the course of national affairs his health and well being are inextricably bound to those of his nation his life is inseparable at times indistinguishable from the history of his country Perhaps most remarkable are the telepathic powers linking him with India s 1 000 other midnight s children all born in that initial hour and endowed with magical gifts This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people a brilliant incarnation of the universal human comedy *Midnight s Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time **Music and Esotericism** Laurence
