Isidore Singer

Midrashim Collected Jewish Parables:

Midrashim Howard Schwartz,1976 Bible and Midrash Lieve M. Teugels,2004 This two part book traces the literary and historic study of the story of the Wooing of Rebekah in the Hebrew Bible and its creative interpretations in Rabbinic Midrash Part 1 treats such issues as the characterization of the narrative agents in the biblical story the use of repetition as a narrative structuring device and the question as to the roles of Rebekah and Isaac in this story as well as in the broader Isaac Rebekah narratives Part 2 follows several rabbinic interpretations of this story dealing with among other topics the development of the motif of Rebekah s virginity in rabbinic aggadah and halakha as well as the reception of this theme in modern feminist studies of midrash While treating these topics this is at the same time a methodological inquiry into the dynamics of midrashic interpretation treating rabbinic techniques such as gap filling and linkage and its differences from modern biblical exegesis **Modern Midrash** Adam Nathan Chalom,2005 *Prophetic Voices* Barbara AB

Symons,2023-02-01 The traditional haftarah cycle read on Shabbat and holidays during the Torah service contains a wealth of prophetic wisdom yet today it is too often forgotten or ignored *Prophetic Voices* gives new life to these ancient texts A diverse group of contributors including rabbis cantors scholars educators activists and poets provide short commentaries on each haftarah demonstrating their profound relevance to the present Moreover the volume boldly invites us to rethink the haftarah canon Going beyond the Prophets it presents alternative readings from Jewish texts biblical to contemporary New haftarot for each Shabbat and holiday are included plus haftarot for the Jewish American calendar from Yom HaShoah to Pride Month to Martin Luther King Jr Day The readings are enhanced by scholarly essays placing the Prophets in historical context and examining the role of prophecy in Reform Judaism *Prophetic Voices* summons us to listen study think and teach as well as to sing pray and march Published by CCAR Press a division of the Central Conference of American Rabbis

Morton Smith and Gershom Scholem, Correspondence 1945-1982 Guy Stroumsa,2008-06-30 The American historian of ancient religions Morton Smith 1915 1991 studied with the great scholar of Jewish mysticism Gershom Scholem 1897 1982 when he was in Jerusalem during the Second World War After the war the two started a long fascinating and at times intense correspondence that ended only with Scholem s death These letters found in the Scholem archive in the National Library in Jerusalem provide a rare perspective on the world and the approach of two leading historians of religion in the twentieth century They also shed important new light upon Smith s discovery of a letter attributed to Clement of Alexandria referring to a secret Gospel of Mark Jewish Quarterly ,1977 **The Jewish Quarterly** ,1977 *The Rabbinic Parables and Jesus the Parable Teller* David Flusser,2024-04-09 First published in German as *Die rabbinischen Gleichnisse und der Gleichniserzähler Jesus* in 1981 and now translated into English for the first time this seminal work by Professor David Flusser remains an important and unparalleled contribution on Jesus as a storyteller in the Jewish rabbinic tradition Using a literary approach to study extant rabbinic parables he argues that Jesus parables belong to a genre that

exists only in rabbinic literature and the New Testament In order to analyze the theology behind Jesus parables we need to understand them as a first century literary art form In a summary of the book Flusser writes I am firmly convinced with fellow researchers that it is possible to get reasonably close to the original wording of Jesus teaching But this is only the case when the otherwise usual method of literary criticism is applied to the text of the Synoptic Gospels and when moreover one is willing and able to be guided by knowledge of Judaism I certainly admit that the words of Jesus including his parables were edited by Greek redactors and subsequently by the evangelists Nevertheless I believe it is often possible to separate the shell from the nut by applying a better synoptic theory As I have argued several times the parables of Jesus belong to the genre of the rabbinic parables Therefore valid statements about Jesus parables whether these regard their essence or their literary quality can only be made when one has first dealt with the essence and literary form of the rabbinic parables

The Book of Lilith Barbara Black Koltuv, 1986-01-15 Lilith is the mythological seductress that has been repressed since Biblical times She is the representative of the essentially motherless form of the feminine Self that arose as an embodiment of the neglected and rejected aspects of the Great Goddess Written by a Jungian analyst this material can help modern men and women come to terms with this aspect of the feminine within

Jesus and His Jewish Parables Brad Young, 1989 Jesus and his Jewish Parables presents a fresh approach to the gospel parables and their rabbinic counterparts The author Brad H Young demonstrates that the parables must be studied as a unique genre of teaching which is preserved only in rabbinic literature and in the gospels He sets out to show a very close association between the teachings of Jesus and early Jewish pedagogical methods In a radical new conclusion Young maintains that the kingdom of heaven theme so essential for a proper understanding of Jesus message is not an eschatological concept designed to forewarn of imminent catastrophe but rather a technical term Jesus employed to speak of God s reign as a present reality among those who have accepted the call to obey the divine will Page 4 of cover
