*Grant* Ron Chernow, 2017-10-10 The 1 New York Times bestseller and New York Times Book Review 10 Best Books of 2017 Eminently readable but thick with import Grant hits like a Mack truck of knowledge Ta Nehisi Coates The Atlantic Pulitzer Prize winner Ron Chernow returns with a sweeping and dramatic portrait of one of our most compelling generals and presidents Ulysses S Grant Ulysses S Grant's life has typically been misunderstood All too often he is caricatured as a chronic loser and an inept businessman or as the triumphant but brutal Union general of the Civil War But these stereotypes don't come close to capturing him as Chernow shows in his masterful biography the first to provide a complete understanding of the general and president whose fortunes rose and fell with dizzying speed and frequency Before the Civil War Grant was flailing His business ventures had ended dismally and despite distinguished service in the Mexican War he ended up resigning from the army in disgrace amid recurring accusations of drunkenness But in war Grant began to realize his remarkable potential soaring through the ranks of the Union army prevailing at the battle of Shiloh and in the Vicksburg campaign and ultimately defeating the legendary Confederate general Robert E Lee Along the way Grant endeared himself to President Lincoln and became his most trusted general and the strategic genius of the war effort Grant's military fame translated into a two term presidency but one plagued by corruption scandals involving his closest staff members More important he sought freedom and justice for black Americans working to crush the Ku Klux Klan and earning the admiration of Frederick Douglass who called him the vigilant firm impartial and wise protector of my race After his presidency he was again brought low by a dashing young swindler on Wall Street only to

resuscitate his image by working with Mark Twain to publish his memoirs which are recognized as a masterpiece of the genre With lucidity breadth and meticulousness Chernow finds the threads that bind these disparate stories together shedding new light on the man whom Walt Whitman described as nothing heroic and yet the greatest hero Chernow s probing portrait of Grant s lifelong struggle with alcoholism transforms our understanding of the man at the deepest level This is America s greatest biographer bringing movingly to life one of our finest but most underappreciated presidents The definitive biography Grant is a grand synthesis of painstaking research and literary brilliance that makes sense of all sides of Grant s life explaining how this simple Midwesterner could at once be so ordinary and so extraordinary Named one of the best books of the year by Goodreads Amazon The New York Times Newsday BookPage Barnes and Noble Wall Street Journal

**Abraham Lincoln : Contemporary** Frank J. Williams, William D. Pederson, 1995-07-21 According to Lincoln scholar David E Long The Jewel of Liberty Abraham Lincoln s Reelection and the End of Slavery history has thrown up precious few individuals who have reshaped the landscape of human experience and potential Of all the great national leaders of the previous century the individual who stands like a colossus astride the nineteenth century the champion of democratic government and the common person at a time when the rest of the world had rejected such notions in favor of monarchs and despots is Abraham Lincoln and he is at the center of American history Lincoln writes Lang has been a source of inspiration for every generation of Americans since the Civil War and every president since Lincoln has had the unenviable task of attempting to conduct his administration against the measuring stick left by our sixteenth chief executive As demonstrated by this wide range of essays his influence is indeed pervasive These papers written by many of today s leading presidential scholars and social historians contribute significantly to our understanding and appreciation of Lincoln the president emancipator constitutionalist and role model Some of the topics include a fascinating examination of Lincoln s quarrelsome yet capable cabinet a trio of insightful essays on his impact on successors Rutherford Hayes FDR and Gerald Ford two sharply contrasting opinions regarding Lincoln s contentious relations with the Supreme Court and his assumption and exercise of extraordinary if not unconstitutional powers and an engrossing discussion of the visions dreams and premonitions that haunted Lincoln until his death by an assassin s bullet Just as Lincoln himself was a benchmark for presidential successors Abraham Lincoln Contemporary will be the benchmark against which future collections of essays will be measured *Illinois Biographical Dictionary* Caryn Hannan, 2008-01-01 Biographies on interesting and influential persons who have lived in the state of Illinois *Our Presidents and Their Office* William Estabrook Chancellor, 1912 **Lincoln Seen and Heard** Harold Holzer, 2000 Holzer also takes a closer look at Lincoln s oratory the words of a man often ridiculed for his homespun manner of speaking He shows how Lincoln s choice of words in the Emancipation Proclamation was actually designed to minimize its humanitarianism and argues that the story of his failure at Gettysburg has been unfairly exaggerated **BOOK JACKET** **Life and Works of Abraham Lincoln: Speeches and presidential addresses,**
