A Midsummer Night's Dream William Shakespeare,2004-08 With detailed notes from the world s leading center for Shakespeare studies Cover [A Midsummer Night's Dream](#) William Shakespeare,1958 A Folger Library General Reader s Shakespeare paperback [Documents of Performance in Early Modern England](#) Tiffany Stern,2009-09-17 As well as play makers and poets playwrights of the early modern period were known as play patchers because their texts were made from separate documents This book is the first to consider all the papers created by authors and theatres by the time of the opening performance recovering types of script not previously known to have existed With chapters on plot scenarios arguments playbills prologues and epilogues songs staged scrolls backstage plots and parts it shows how textually distinct production was from any single unified book And as performance documents were easily lost relegated or reused the story of a play s patchy creation also becomes the story of its co authorship cuts revisions and additions Using a large body of fresh evidence Documents of Performance in Early Modern England brings a wholly new reading to printed and manuscript playbooks of the Shakespearean period redefining what a play and what a playwright actually is **The Artistic**

Foundations of Nations and Citizens Ann Ward,2021-09-28 This book examines politics through the lens of art and literature Through discussion on great works of visual art literature and cultural representations of political thought in the medieval early modern and American eras it explores the relevance of the nation state to human freedom and flourishing as well as the concept of citizenship and statesmanship that it implies in contrast to that of the global community The essays in this volume focus on shifting notions of various core political concepts like citizenship republicanism and nationalism from antiquity to the present day to provide a systematic understanding of their evolving histories through Western Art and literature It highlights works such as the Bayeux Tapestry Shakespeare s Henry V Henry VI and A Midsummer Night s Dream Twain s Joan of Arc and Hermann s Nichts als Gespenster among several other canonical works of political interest Further it questions if we should now look beyond the nation state to some form of trans national global community to pursue the human freedom desired by progressives or look at smaller forms of community resembling the polis to pursue the friendship and nobility valued by the ancients The volume will be invaluable to students and teachers of political science especially political theory and philosophy visual arts and world literature **American Book Publishing Record Cumulative, 1950-1977**

R.R. Bowker Company. Department of Bibliography,1978 **Contemporary Love Studies in the Arts and Humanities** Madalena Grobelaar,Elizabeth Reid Boyd,Debra Dudek,2023-05-02 This edited book demonstrates how love both unites and separates academic thinking across the arts and humanities and beyond from popular romance studies to border criminology from sexology to peace studies and into the fields of health medicine and engineering This book is both a reflection and a call for a greater understanding of the complexity and importance of love in our lives and in our world **Shakespeare's Book** Chris Laoutaris,2023-03-30 The never before told story of how the makers of The First Folio created Shakespeare as we know

him today 2023 marks the 400 year anniversary of the publication of Mr William Shakespeare's Comedies Histories Tragedies known today simply as the First Folio. It is difficult to imagine a world without *The Tempest* *Twelfth Night* *Antony and Cleopatra* *The Winter's Tale* and *Macbeth* but these are just some of the plays that were only preserved thanks to the astounding labor of love that was the first collected edition of Shakespeare's plays. When the First Folio hit the bookstalls in 1623 nearly eight years after the dramatist's death it provided eighteen previously unpublished plays and significantly revised versions of close to a dozen other dramatic works many of which may not have survived without the efforts of those who backed, financed, curated and crafted what is arguably one of the most important conservation projects in literary history. Without the First Folio Shakespeare is unlikely to have acquired the towering international stature he now enjoys across the arts, the pedagogical arena and popular culture. Its lasting impact on English national heritage as well as its circulation across cultures, languages and media makes the First Folio the world's most influential secular book. But who were the personalities behind the project and did Shakespeare himself play a role in its inception? *Shakespeare's Book: The Story Behind the First Folio and the Making of Shakespeare* charts for the first time the manufacture of the First Folio against a turbulent backdrop of seismic political events and international tensions which intersected with the lives of its creators and which left their indelible marks on this ambitious publication project. This story uncovers the friendships, bonds, social ties and professional networks that facilitated the production of Shakespeare's book as well as the personal challenges, tragedies and dangers that threw obstacles in the path of its chief backers. It reveals how Shakespeare himself before his death may have influenced the ways in which his own public identity would come to be enshrined in the First Folio, shaping his legacy to future generations and determining how the world would remember him not of an age but for all time. *Shakespeare's Book* tells the true story of how the makers of the First Folio created Shakespeare as we know him today.

A Midsummer Night's Dream by William Shakespeare William Shakespeare, 2021-09-27 In *A Midsummer Night's Dream* Shakespeare stages the workings of love. Theseus and Hippolyta about to marry are figures from mythology. In the woods outside Theseus's Athens two young men and two young women sort themselves out into couples but not before they form first one love triangle and then another. Also in the woods the king and queen of fairyland Oberon and Titania battle over custody of an orphan boy. Oberon uses magic to make Titania fall in love with a weaver named Bottom whose head is temporarily transformed into that of a donkey by a hobgoblin or puck Robin Goodfellow. Finally Bottom and his companions ineptly stage the tragedy of Pyramus and Thisbe.
