## **Midwinter Of The Spirit:**

**Midwinter of the Spirit** Phil Rickman, 2011-06-01 Few writers blend the ancient and supernatural with the modern and criminal better than Rickman Guardian Diocesan Exorcist a job viewed by the Church of England with such extreme suspicion that they changed the name It s Deliverance Consultant now Still it seems no job for a woman But when the Bishop offers it to Merrily Watkins parish priest and single mum she s in no position to refuse It starts badly for Merrily and gets no easier As an early winter slices through the old city of Hereford a body is found in the River Wye an ancient church is desecrated and signs of evil appear in the cathedral itself where the tomb of a medieval saint lies in pieces *Midwinter of the Spirit* Phil Rickman, 2000-03-01 As an early winter slices through the old city of Hereford a body is found in the River Wye an ancient church is desecrated and there are even indications of evil in Hereford Cathedral itself where the tomb of St Thomas Cantilupe lies in fragments *Klamath Ethnography* Leslie Spier, 1930 *A Native American Encyclopedia* Barry Pritzker, 2000 Dispelling myths answering questions and stimulating thoughtful avenues for further inquiry this highly readable reference provides a wealth of specific information about all known North American Indians Readers will delight in the stirring narratives about everything from notable leaders and relations with non natives to customs dress dwellings and weapons to government and religion Addressing over 200 groups of Native American groups in Canada and the United States *A Native American Encyclopedia History Culture and People* is at once exhaustive yet readable covering myriad aspects of a people spread across ten geographical regions Listed alphabetically for easy access each Native American group is presented in careful detail starting with the tribal name translation origin and definition Each entry then includes significant facts about the group s location and population as well as impressive details about the history and culture of the group Bringing each entry up to date Editor Barry Pritzker also addresses with ease current information on each group s government economy legal status and reservations Engaging and precise Pritzker s prose makes this extensive work an enjoyable read Whether he is giving the court interpretation of the term tribe Many traditional Native American groups were not tribes at all but more like extended families or describing how a Shoshone woman served as a guide on the Louis and Clarke expedition the material is always presented in a clear and lively manner In light of past and ongoing injustices and the momentum of Indian and Intuit self determination movements an understanding of these native cultures as well as their contributions to contemporary society becomes increasingly important This book provides all the essential information necessary to fully grasp the history culture and current feelings surrounding North American Indians It is not only a compelling resource for students and researchers of Native American studies anthropology and history but an indispensable guide for anyone concerned with the past and present situation of the numerous Native American groups **The Golden Bough: pt. 1-2. Spirits of the corn and of the wild. 1912** James George Frazer, 1912 **The North American Indian: The Yakima. The Klickitat. Salishan tribes of the interior. The Kutenai** Edward S. Curtis, 1911 A comprehensive and permanent

record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions The value of such a work in great measure will lie in the breadth of its treatment in its wealth of illustration and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the superior race It has been the aim to picture all features of the Indian life and environment types of the young and the old with their habitations industries ceremonies games and everyday customs Though the treatment accorded the Indians by those who lay claim to civilization and Christianity has in many cases been worse than criminal a rehearsal of these wrongs does not properly find a place here
