Homer Is Where the Heart Is John Randall Tabor, 2011-07-28 JOHN RANDALL TABOR grew up in north Louisiana in the town of Homer In 1962 he earned a bachelors degree in English education at Louisiana Tech In 1968 he was awarded a masters degree in journalism from Louisiana State University For thirty three years he taught English composition and news writing at LSU in Shreveport where he also was director of information services and director of alumni affairs In addition Tabor was president of the Ark La Tex chapter of the Society of Professional Journalists Sigma Delta Chi From 2002-2003 he wrote a weekly column for The Homer Guardian Journal newspaper and throughout his career he has published a number of feature articles one of which won first place at the Deep South Writers Conference He currently lives in the village of Bethany Louisiana where he is working on a novel The Glorious Weight of the Noonday Sun **Table Five** Sally Long, 2016-12-01 Aggie Lantana has a plan It is to shake the ill fated roots of her Midwest life and replant herself to thrive in a large city More than a geographic solution she reinvents herself simply as Lantana As sometimes happens good intentions go awry Suddenly she finds herself a suspect in a double death case that has occurred at Table Five the focal point of a prestigious restaurant This is not part of her long term strategy Murder or suicide is a mystery yet to be determined The FBI IRS and a persistent police detective are relentless in their investigation But the case becomes secondary as Lantana faces even greater danger from a money hungry cast of kinky characters and ruthless murderers lurking around each corner Bizarre events continue as Lantana discovers shes involved in an international diamond smuggling ring and that people closest to her may be involved in this nefarious circle As the murder suicide case unfolds Lantana is further implicated in more serious crimes Her heartland wisdom quickly becomes street smart savvy as gently curving country roads turn into abrupt twists and turns in the back alleys of upstate New York ultimately forcing her to travel internationally to unravel this plot Wary of her situation Lantana begins to think it might have been wiser to have remained Aggie a farm girl from Nebraska It certainly would have been safer **Unfiltered** Jon M. Gibson, Chris McDonnell, 2008 If Walt Disney's life and work evoke feelings of chaste princesses in gleaming white castles then Ralph Bakshi's should conjure up ladies of ill repute camped out in dim back alleys On par with the legendary animation auteurs of our time Bakshi's name is synonymous with the grand tradition of American cartooning Responsible for such memorable films and television shows as Fritz the Cat the first X rated animated feature film Heavy Traffic Coonskin Mighty Mouse The New Adventures Wizards and The Lord of the Rings Bakshi's influence on American popular culture as well as on artists and writers who came after him is undeniable and extensive Unfiltered The Complete Ralph Bakshi is the first and only book chronicling the career of this animation pioneer highlighting his early years as well as each of his groundbreaking films TV shows and other projects It contains brand new Bakshi art created especially for this book as well as hundreds of pieces of pre production art animation cels and never before seen rough sketches line drawings and doodles all culled from Bakshi's personal archives containing more than fifty
