Migrant Education:

Migrant Education Judith A. Gouwens, 2001 A comprehensive reference describing the educational issues faced by migrant workers and the economic political sociological and language issues schools and educators face in trying to address migrant needs In this comprehensive primer author Judith A Gouwens describes the many factors that complicate the education of migrant children youth and adults For many migrant families their children s work is necessary if the family is to earn enough money to subsist Added to this are problems with constantly transferring school records of mobile students the inability of parents to communicate with teachers and school administrators in their native tongue and the differences between Mexico and the United States in the culture of education Migrant Education discusses who migrant workers are the conditions that interfere with the educational success of migrant children how the issue has been addressed historically and how to break the cycle of educational disadvantage It also includes a chronology directories and bibliographies Includes examples of exemplary and innovative migrant education programs such as the Migrant Leadership Academy and the Florida Migrant Education Summer Institute Provides a directory of organizations associations and government agencies involved in administering migrant education assistance and advocacy for educational health and other opportunities The Minnesota Migrant Education Program Minnesota.
