

Migration Of Industry To South America

John Wilfrid Jackson

Migration Of Industry To South America:

Migration of Industry to South America Dudley Maynard Phelps,2000 First published in 2000 Routledge is an imprint of Taylor Francis an informa company **Migration of Industry to South America** ,1936 Study of the economic implications of the relocation of industries from the USA to South America covers the influence of the supply of raw materials and marketing opportunities on foreign investments comments on legislation and government policies controlling business activities lack of equipment and electrical machinery effects of multinational enterprises on the economic development of the host country etc and includes a directory of North American industries in South America Statistical tables **Social**

Inequality in Post-Growth Japan David Chiavacci,Carola Hommerich,2016-09-13 In recent decades Japan has changed from a strongly growing economically successful nation regarded as prime example of social equality and inclusion to a nation with a stagnating economy a shrinking population and a very high proportion of elderly people Within this new forms of inequality are emerging and deepening and a new model of Japan as gap society kakusa shakai has become common sense These new forms of inequality are complex are caused in different ways by a variety of factors and require deep seated reforms in order to remedy them This book provides a comprehensive overview of inequality in contemporary Japan It examines inequality in labour and employment in welfare and family in education and social mobility in the urban rural divide and concerning immigration ethnic minorities and gender The book also considers the widespread anxiety effect of the fear of inequality and discusses how far these developments in Japan represent a new form of social problem for the wider world
