Mike And Elses Norwegian Songbook:

Mike and Else's Norwegian Songbook Mike Sevig,1985 *Mike and Else's Norwegian Songbook* Mike Sevig,Else Sevig,1985-01-01 **News of Norway** ,1984 *Building Your Family to Last* Kari Torjesen Malcolm,2006-07-01 Have you ever met a family so special that you'd like to become a kid again and sign up? Such families play together, pray together and grow together. The parents have a spiritual maturity that carries them through the crises of life. The children hold fast to the faith even during the turbulent teen years. That's the kind of family Kari Torjesen Malcolm wants to help you build. She's had that kind of family and her experiences will inspire and challenge you. She'll show you what it means to put Christ first in your life. She deals candidly with the big issues that tend to tear families apart: sex, money and power. She will help you put the spiritual disciplines to work to deepen your fellowship. And she'll show you how serving others can help you serve each other better. With her help, your family will stay together on the journey of faith. Malcolm is the author of *Women at the Crossroads*. Born in China of Norwegian missionary parents, she spent fifteen years on the mission field in the Philippines where her two children were reared. Her broad cross-cultural experience lends a richness and depth to her writing that is hard to match. Here you will find help for 1. putting Christ first, 2. reaching out to the world together, 3. nurturing young children in the faith, 4. spiritual disciplines at home, 5. staying together against the odds. *The Song Index of the Enoch Pratt Free Library* Ellen Luchinsky,2020-12-23 The Song Index features over 150 000 citations that lead users to over 2 100 song books spanning more than a century from the 1880s to the 1990s. The songs cited represent a multitude of musical practices, cultures and traditions, ranging from ethnic to regional, from foreign to American, representing every type of song: popular, folk, children's, political, comic, advertising, protest, patriotic, military and classical, as well as hymns, spirituals, ballads, arias, choral, symphonies and other larger works. This comprehensive volume also includes a bibliography of the books indexed, an index of sources from which the songs originated and an alphabetical composer index. **English Translations of the Scandinavian Medieval Ballads** Larry E.
