Derek Jarman Tony Peake, 2000 Biography of the outrageous and controversial filmmaker painter and gardener

Phallic Frenzy Joseph Lanza, 2007-08-01 Ken Russell has made some of the most daring disturbing and beautifully photographed films of all time Drawing from a wealth of historic and literary references Russell s subjects are astounding deranged Ursuline nuns in a 17th century French province the inner demons of Mary Shelley and Lord Byron the sexual angst of Tchaikovsky the emotionally drained life of Rudolph Valentino the messianism of a pinball wizard the fury of lesbian vampires the introspections of prostitutes Russell s movies offer not just brazen sensationalism but food for thought they horrify yet inspire And through it all Russell maintains a simultaneously impish and intellectual sense of humor The first full biography of the director *Phallic Frenzy* is far from a dry film by film analysis It shows how Russell s real life has often been as engaging and vibrant as his film scenarios Here you ll learn how Alan Bates and Oliver Reed compared their penis sizes for the nude wrestling scene in *Women in Love* how Russell disfigured Paddy Chayevsky s script for *Altered States* by having the actors holler out the lines as fast as possible accompanied by spewed food and streams of spittle and how Russell was slated to direct *Evita* starring Liza Minnelli and the creative differences that ensued A madcap tale full of wild ideas surreal situations and a cavalcade of colorful personalities *Phallic Frenzy* is as thrilling a ride as any Ken Russell film *Derek*

Jarman: The Authorised Biography Tony Peake, 2025-03-20 Tony Peake enjoyed unprecedented access to the visionary artist s archives in order to bring the extraordinary life of Derek Jarman to the page This authorised and unique biography covers Jarman s story from the bleakness of post war Britain and his RAF childhood to student life at The Slade and his work as a designer painter and filmmaker It tells how energetic home filmmaking with dazzling friends led to distinctive feature films including *Sebastiane* *The Tempest* and *Caravaggio* There were collaborations with the likes of Sir John Gielgud and Tilda Swinton and Jarman was also at the forefront of popular culture producing distinctive music videos for Pet Shop Boys and The Smiths Alongside his art and a significant body of writing Jarman created a singular garden in the shingle surrounding Prospect Cottage at Dungeness in Kent which has become a site of memorial celebration and pilgrimage He became known as an impassioned and provocative spokesperson not only for gay men but for anyone oppressed by bigotry Derek Jarman died of AIDS related causes in February 1994 and Peake describes his inimitable courage and grace in the face of painful

death and the legacies Jarman left behind With new contributions from Olivia Laing and Jon Savage *ReFocus: The Films of Ken Russell* Matthew Melia, 2022-11-25 Ken Russell was among the most provocative creative original and important directors in British film and television history but his career and legacy have long suffered under the media clichés of Madman or *Enfant Terrible* of British cinema nicknames which have tended to delegitimise his status and pioneering role in post war film and television culture This scholarly edited collection refuses these terms and aims to not only reflect and further current critical research into Russell's work but to see Russell as the Renaissance man of British cinema It brings together the work of new and established scholars as well as the reflections of those who knew and worked with Russell *ReFocus The Films of Ken Russell* offers new perspectives across the breadth of Russell's extensive career in television film and other mediums and seeks to better understand not only his reception but the importance of collaboration to his practice and the legacy of the man himself **Vanity Fair**, 2000-04 The British National Bibliography Arthur James Wells, 2001

biographical novels that are revealing yet boisterously entertaining occasionally outrageous and iconoclastic In Elgar The Erotic Variation Russell explodes his own myth of offering the last word on his subject Here the man emerges from Victorian morality complete with mistresses and muses in the form of the women who captivated his soul including his childhood sweetheart Helen Weaver and the emancipated headmistress Rosa Burley Delius A Moment with Venus is largely based on the recollections of the composer's amanuensis Eric Fenby who became a friend of the author during the making of the Monitor drama documentary Some of the extra marital material in this novel was unknown to Russell when he made his film but the baptism of Frederick Delius the Yorkshireman as Fritz is the hilarious starting point for the revelations about the secret life of this cantankerous old pagan genius
