Mike Hodges:

Bait, Grist and Security Mike Hodges, 2018-11-29 Three dark tales from the writer and director of *Get Carter* *Pulp* and *The Terminal Man* In *Bait* a slippery PR man Mark Miles is unaware he's being manipulated and dangled as bait by an investigative reporter until he's swallowed by a sadistic mind expanding cult from America In *Grist* the bestselling writer Maxwell Grist ruthlessly uses real people as fodder for his crime novels before finding himself living up to his name and becoming grist for his own murder In *Security* an American movie star unhappy with the film he's working on refuses to leave his hotel for the studios while in the corridor outside his luxury suite mayhem and murder take over **Mike Hodges** Mark Adams, 2001 *Maverick* British film director Mike Hodges has created such diverse works as *Get Carter* *A Prayer for the Dying* *Flash Gordon* and *Morons from Outer Space* This book profiles his work and his influence **Get Carter** Mike Hodges, 1999 [British Film Directors](#) Robert Shail, 2007-10-18 British national cinema has produced an exceptional track record of innovative creative and internationally recognised filmmakers amongst them Alfred Hitchcock Michael Powell and David Lean This tradition continues today with the work of directors as diverse as Neil Jordan Stephen Frears Mike Leigh and Ken Loach This concise authoritative volume analyses critically the work of 100 British directors from the innovators of the silent period to contemporary auteurs An introduction places the individual entries in context and examines the role and status of the director within British film production Balancing academic rigour with accessibility *British Film Directors* provides an indispensable reference source for film students at all levels as well as for the general cinema enthusiast Key features include A complete list of each director's British feature films Suggested further reading on each filmmaker A comprehensive career overview including biographical information and an assessment of the director's current critical standing 10 B W illustrations **Screen Epiphanies** Geoffrey Macnab, 2019-07-25 What I remember was that it was the first time a piece of fiction had had such a devastating emotional effect on me A lot of children remember seeing cartoons Pinocchio or Bambi or something that breaks their heart I remember seeing *The Blue Angel* and it breaking my heart It was the first time I realised there was an adult world that adults could damage each other or destroy each other emotionally It might have fed into a whole series of epiphanies about my own upbringing I was living in a family where my grandparents had separated in quite complex circumstances Perhaps it resonated with some elements of that to do with simply how love can be a rupturing and damaging emotion as well as a healing one Also to see somebody who is in an authority position made so small so diminished by the feeling of having no control Anthony Minghella *The Blue Angel* In a strange lethal way I was suddenly wildly attracted to the process of filmmaking even though it is described as a nightmare a matter of horror in that film There is a trancelike atmosphere Suddenly I was reminded that you can feel like it's a matter of life and death when you make a film It changed from being a mediocre feeling of emptiness in your life to something that feels necessary I realised that filmmaking can be many things and it can be narcotic in a way You can become addicted to it Thomas Vinterberg *Hearts*

of Darkness Screen Epiphanies brings together 32 leading film makers to discuss the films that inspired them to pursue a career in the movie business or which influenced their own film making practice or which stayed with them because of their depictions of familiar communities intense human relationships or unknown worlds Beautifully illustrated with images from the films discussed Screen Epiphanies is a thought provoking and often moving insight into the creative process and the way in which artists are inspired by each other s work but also into the centrality of cinema in all our lives and its power to change our ambitions and how we see the world around us

Get Carter Steve Chibnall,2003-04-25 Get Carter is now widely acknowledged as the finest British gangster film of all time Released in 1971 the film fell out of fashion until the cultural changes of the 1990s gave a new currency to its pessimistic vision of a doomed male within a decaying social order Before its re release in 1999 Mike Hodges fusion of the crime genre with social realism received surprisingly little critical attention Steve Chibnall s book now gives Get Carter the consideration it demands With the co operation of Hodges and access to rare documents including an early draft of the script Chibnall places the film in its social context describes its making discusses its characteristics scene by scene and charts its changing status since the 1970s

Is This the Real Life? Mark Blake,2010-10-25 Queen are unique among the great rock bands It is nearly twenty years since frontman Freddie Mercury s death brought the band to an end yet their fanbase remains massive They appeal equally to men and women Their fans are just as likely to be teenagers too young to have been born when the band were still touring and making records thanks not least to the huge success of the musical We Will Rock You And their musical history is one of constant reinvention from heavy metal and prog rock to disco pop stadium anthems and even jazz influences Now Mark Blake the experienced Mojo journalist who wrote Aurum s bestselling book on Pink Floyd has written the definitive history Having already interviewed the surviving band members over the years he has now tracked down dozens and dozens of new interviewees from Queen s first long forgotten bass players to Freddie Mercury s schoolmates in Isleworth Middlesex to trace Queen s long career from their very first gawky performances in St Helens through their sensational stage stealing appearance on Live Aid to the band s collaboration with Paul Rodgers at the beginning of the century Full of fascinating new revelations especially about the improbable transformation of a shy Asian schoolboy called Bulsara into the outrageous living hedonist that was Freddie Mercury this is a book every Queen fan will want to have

Anglia UK It's about time the lunatic fans and loyal theorists of cult movies were treated to a book they can call their own. The effort and knowledge contained in *The Cult Film Reader* will satisfy even the most ravenous zombie's desire for detail and insight. This book will gnaw, scratch and infect you just like the cult films themselves. Brett Sullivan, Director of *Ginger Snaps Unleashed* and *The Chair*. *The Cult Film Reader* is a great film text book and a fun read. John Landis, Director of *The Blues Brothers*, *An American Werewolf in London* and *Michael Jackson's Thriller*. Excellent overview of the subject and a comprehensive collection of significant scholarship in the field of cult film. Very impressive and long overdue. Steven Rawle, York St John University, UK. Whether defined by horror, kung fu, sci fi, sexploitation, kitsch, musical or weird world cinema, cult movies and their global followings are emerging as a distinct subject of film and media theory dedicated to dissecting the world's unruliest images. This book is the world's first reader on cult film. It brings together key works in the field on the structure, form, status and reception of cult cinema traditions. Including work from key established scholars in the field such as Umberto Eco, Janet Staiger, Jeffrey Sconce, Henry Jenkins and Barry Keith Grant, as well as new perspectives on the gradually developing canon of cult cinema, the book not only presents an overview of ways in which cult cinema can be approached, it also reassesses the methods used to study the cult text and its audiences. With editors' introductions to the volume and to each section, the book is divided into four clear thematic areas of study: *The Conceptions of Cult*, *Cult Case Studies*, *National and International Cults* and *Cult Consumption* to provide an accessible overview of the topic. It also contains an extensive bibliography for further related readings. Written in a lively and accessible style, *The Cult Film Reader* dissects some of the biggest trends, icons, auteurs and periods of global cult film production. Films discussed include *Casablanca*, *The Rocky Horror Picture Show*, *Eraserhead*, *The Texas Chainsaw Massacre*, *Showgirls* and *Ginger Snaps*.
