Mike Quill Himself A Memoir:

Mike Quill, Himself Shirley Quill, 1985 Biography of Mike Quill a despatch rider for the Irish Republican Army before emigrating He was one of the founders of the Transport Workers Union of America **Remembering 1916** Richard S. Grayson, Fearghal McGarry, 2016-03-03 A pioneering analysis of how the Easter Rising and the Battle of the Somme have been remembered in Ireland since 1916 Black Liberation/red Scare Gerald Horne, 1994-07 Black Liberation Red Scare is a study of an African American Communist leader Ben Davis Jr 1904-64 Though it examines the numerous grassroots campaigns that he was involved in it is first and foremost a study of the man and secondarily a study of the Communist party from the 1930s to the 1960s By examining the public life of an important party leader Gerald Horne uniquely approaches the story of how and why the party rose and fell Ben Davis Jr was the son of a prominent Atlanta publisher and businessman who was also the top African American leader of the Republican party until the onset of the Great Depression Davis was trained for the black elite at Morehouse Amherst and Harvard Law School After graduating from Harvard he joined the Communist party where he remained as one of its most visible leaders for thirty years In 1943 after being endorsed by his predecessor Adam Clayton Powell Jr he was elected to the New York City Council from Harlem and subsequently reelected by a larger margin in 1945 Davis received support from such community figures as NAACP leader Roy Wilkins boxer Joe Louis and musician Duke Ellington While on the council Davis fought for rent control and progressive taxation and struggled against transit fare hikes and police brutality With the onset of the Red Scare and the Cold War Davis like the Communist party itself was marginalized The Cold War made it difficult for the U S to compete with Moscow for the hearts and minds of African Americans while they were subjected to third class citizenship at home Yet in return for civil rights concessions African American organizations such as the NAACP were forced to distance themselves from figures such as Ben Davis In 1949 he was ousted unceremoniously and perhaps illegally from the City Council He was put on trial jailed in 1951 and not released until 1956 when the civil rights movement was gathering momentum His friendship with the King family based upon family ties in Atlanta was the ostensible cause for the FBI surveillance of Dr Martin Luther King Jr and COINTELPRO the counterintelligence program of the FBI which was aimed initially at the CP USA made sure to keep a close eye on Davis as well But when the civil rights movement reached full strength in the 1960s Davis's controversial appearances at college campuses helped to set the stage for a new era of activism at universities Davis died in 1964 According to Horne the time has now come when he along with his good friend Paul Robeson and W E B DuBois should be regarded as a premier leader of African Americans and the U S Left during the twentieth century BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Southern Labor in Transition, 1940-1995** Robert H. Maier,1987 In *City Unions* the first comprehensive history of New York City s municipal unions Mark Maier traces the rise of collective bargaining in New York City from 1896 to the present Maier argues that despite public images of strength many New York City unions were in fact managers of discontent taking on traditional management roles by preventing strikes and enforcing workplace rules *The Recorder* ,1985 **St. James Encyclopedia of Labor History Worldwide** Neil Schlager,2003-08 Annotation Provides in depth analysis of more than 300 key events in labor history over the last 200 years focusing on the relevance of these events to both the labor movement as a whole and to societal changes around the world Each entry written and signed by an expert in the field includes a description of the event information about the key players involved and discusses the event in historical context Journal of Collective Negotiations in the Public Sector ,1993 **Hibernia America** Dennis Clark,1986-06-18 The information presented in this study uses selected networks of dispersion pioneer journeying and canal and railroad construction to demonstrate the geographical distribution that was to be a key aspect of Irish passage into American life The regional variations of this passage will be examined and the import of the interaction of the Irish with American institutions and culture will be evaluated again using particular examples of social interchange
