Mikhail Gorbachev Memoirs:

Memoirs Mikhail Sergeevich Gorbachev, 1996 In these long awaited memoirs Mikhail Gorbachev looks back on a lifetime that mirrors the fate of the Russian people From the persecution of his family under Stalin to his first political steps to his extraordinary rise within the Communist Party Gorbachev recounts the events that led to his own disillusionment without which the eventual implosion of communism would not have taken place He casts an equally sharp eye on the policies of both past communist governments and present day reformers **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved

Mikhail Gorbachev Mikhail Gorbachev, 2007-03-31 Mikhail Gorbachev is the man who changed everything It was Gorbachev's initiative that raised the Iron Curtain his actions that resulted in one of the era's most symbolic events the demolition of the Berlin Wall his reforms that set in train events leading to the fall of Communism Twelve years ago when Gorbachev came to power the globe was still divided into two armed camps one for each superpower as it had been ever since 1945 The Cold War dominated international politics from Angola to Afghanistan The man who became leader of the Soviet Union in 1985 was much younger than his predecessors yet there was little else to distinguish him from the stony faced apparatchiks waving from the Kremlin He seemed a model Communist ideologically committed to socialism raised wholly within the confines of the Party Yet Gorbachev realized that the system could not continue What was it about this man which enabled him to see so much more clearly than his colleagues Like most who start a revolution Gorbachev has been left behind No longer in power he has been forced to endure criticism from those wise after the event most notably Boris Yeltsin who became undisputed leader after the failed military coup that finally displaced Gorbachev from office In these memoirs Gorbachev reveals his feelings about the sad state of his country today He tells us of his childhood in the North Caucasus during the Second World War of coming to Moscow as a student and meeting Raisa Maksimovna of his glittering career as a Party functionary eventually becoming one of the most powerful men in the world This is a historical document of the first importance It is also a fascinating human story an insider's account of the events that we never dared believe could happen

Memoirs Mikhail Gorbachev, 1996 Gorbachev reveals his feelings about the state of Russia today and gives accounts of his childhood of coming to Moscow as a student and meeting Raisa of his career as a Party functionary

eventually becoming one of the most powerful men in the world **Memoirs (Volume 1 of 2)** Mikhail Sergeevich Gorbachev, 2018-09 Autobiography of one of the world's most powerful leaders who once controlled the USSR Vietnamese edition of Volume 1 of Mikhail Gorbachev's memoirs Vietnamese translation by Pham Hong Anh

My Years with Gorbachev and Shevardnadze Pavel Palazchenko, 2010-11-01 **INSIDE GORBACHEV'S KREMLIN** YEGOR.

LIGACHEV, 2019-06-14 **Gorbachev** Martin McCauley, 1998 This is the first study of Gorbachev to be written in the light of his own revealing memoirs **Inside Gorbachev's Kremlin** Egor Kuz'mich Ligachev, 1993 This memoir by the second most powerful Communist Party leader during the early Gorbachev years provides an important alternative view of the USSR

s transformation a view that is gaining ground in Russia **Inside Gorbachev's Kremlin** Yegor Ligachev,Stephen Cohen,1996-04-26 This memoir by the second most powerful Communist Party leader during the early Gorbachev years provides an important alternative view of the USSR's transformation a view that is gaining ground in Russian politics today In a substantial new piece for this edition Mr Ligachev outlines the political agenda of today's communist coalition the establishment of a new Soviet Union with strong economic and political integration of its member states Yegor Ligachev a seasoned Party boss from Siberia made a solid career for himself in the capital during the Khrushchev era but following Khrushchev's ouster chose to retreat to the provinces In 1985 his political patrons brought him back to Moscow to help them build a dynamic new leadership team under Mikhail Gorbachev The two reform minded communists launched an effort to inject life and energy into the Party economy and society through a series of liberalizing measures But when Ligachev saw the reforms moving into a revolutionary phase that could result in the Party's loss of control over the helm of state he found himself increasingly siding with the opposition In this gripping book Ligachev describes the evolving confrontation between opposing forces at high level Party meetings and sessions of the Politburo as well as in less formal conversations Along the way he gives revealing glimpses not only of Gorbachev but also of Yuri Andropov Andrei Gromyko Alexander Yakovlev Eduard Shevardnadze Boris Yeltsin and other top leaders Notorious events such as the 1989 massacre in Tbilisi and the Gdyan Ivanov affair in which Ligachev argues he was unjustly implicated are also highlighted **Inside Gorbachev's Kremlin**

Egor Kuz'mich Ligachev,2018 **For the Soul of Mankind** Melvyn P. Leffler,2007-09-18 What caused the Cold War in the first place and why did it last as long as it did Melvyn P Leffler homes in on four crucial episodes when American and Soviet leaders considered modulating avoiding or ending hostilities and asks why they failed **Success in Life** George

Kouloukis,2022-03-25 The moment you've finished reading this book you'll be able to take crucial decisions regarding your career marriage family relationships and all other life's issues so that you can enormously succeed in your life if there is a storm on the horizon you'll take shelter in time if sunny days loom ahead you'll take advantage of it before the opportunity passes **Flawed Succession** Uri Ra'anan,2006-01-01 This authoritative study examines Russia's four key succession crises after Stalin's death throughout Khrushchev's primacy during the implosion of the USSR and with Putin's ascent to power The distinguished authors argue that the common denominator has been the absence of a transparent non arbitrary and lawful mechanism for the transfer of political power Consequently contenders for leadership have engaged in vicious power

struggles followed by pseudo legitimization of the victor As Moscow reemerges as a major international actor its unpredictability domestically triggers after shocks well beyond Russia's borders Drawing on newly available primary sources this book provides essential insights for practitioners and students of policy alike **European Communism** Ronald Kowalski,2017-09-16 The course of modern European History has been influenced greatly by the challenge of Communism In theory it promised equality and freedom for all In practice it spawned inequalitarian authoritarian and in some instances

monstrous regimes in the former Soviet Union and East Europe This study re examines the history of European Communism from its theoretical origins in the work of Marx and Engels in the mid nineteenth century until the dramatic collapse of the Soviet Union in 1991 Ronald Kowalski reappraises Marx's thinking and points out that his intellectual legacy was open to a variety of interpretations often at odds with his own views Kowalski also questions Lenin's professed Marxist credentials and the extent to which his additions to Marxist theory were central to the key issue in the history of Communism why did the egalitarian and libertarian dreams raised by the Russian Revolution degenerate into Stalinist authoritarianism and terror Furthermore why did Communism fail in West Europe while it was able to come to power in East Europe Concluding with an analysis of the revolutions which swept away the Communist regimes in East Europe and two years later in the Soviet Union itself this is an essential introduction to the history of a political force that dominated parts of Europe until the end of the twentieth century

There are vivid details about his immediate family's journey from Russia to Europe, his parents' ultimate immigration to Persia/Iran where he was born, his experience as a POW in Germany during World War II and escape from the prison camp and finally how he was able to achieve his dream by immigrating to the United States.
