Parallel Life And Other Stories:

A Parallel Life and Other Stories Robin Beeman, 2014-04-08 The acclaimed author of *The Lost Art of Desire* explores grief and longing in the face of illness in this delicate atmospheric story collection Kirkus In the ten spare yet surprising stories in this collection Robin Beeman delves into the inner lives of ordinary women revealing their passions and frustrations with the limitations of life In *Life Signs* a dying woman spends her final days camping on a beach with her husband A man facing the death of his dog relives the traumatic loss of his father in *Secrets* And in the title novella a married librarian gets romantically involved with an insurance salesman whose wife is struggling with cancer *Librarians in Fiction* Grant Burns, 1998-03-01 The depictions of librarians in over 374 novels short stories and plays in English are the focus of this fully annotated reference work Librarians no less than other professionals want to know how they are depicted in fiction The stereotypical or fictional librarian the one with the bun comfortable shoes and dour demeanor may be fading but fiction teaches a lesson about public perception Actually story librarians are often described as adaptable knowledgeable shrewd tactful tender and intelligent traits that the authors and by extension the readers look for in their librarians All entries include complete bibliographic data followed by a lengthy annotation that discusses how the librarian fits into the story and gives insight to how he or she is depicted Title and author indexes are provided for further utility *My Life and Other Stories* Bob Elles, 2013-05-14 Intelligence comes from ignorance as wisdom comes from naivet and there is nothing like gathering both from people who represent a diverse swath of nations throughout the world As cultures require contact with each other in order to grow and remain viable and not succumb to atrophy man too requires contact with men of different beliefs and practices No one nation or culture or religion has a hold on logic or is immune to extremism I feel blessed that I've had the opportunity to absorb and learn about aspects of life that I'm sure I wouldn't have learned otherwise In fact my whole belief system was changed over the past forty five years through this contact I began to do some research on my family and what I learned coupled with what I had experienced in my life literally brought me to tears in gratitude and admiration and hopefully in wisdom If you like to sit down and listen to stories told by say an old friend an uncle or a person with wrinkles on his face grey in his hair and a sparkle of wisdom in his eyes coupled with a smile on his face then you should so bother If you don't then stop right here and go pick up and read a book on vampires or loves lost or whatever turns your fancy My life has been tragic and wondrous and I have what I call life lessons that I believe you will find helpful in your life I'll even go so far as to say that given even a fraction of introspection in you your life will be significantly altered after you've read this book I know that doesn't sound humble but I also know this to be true I have learned forgot and made up many a good story Keep this in mind when you read these chapters stories compiled within this book Are they all true Mostly with only the most embarrassing events removed An old retired Air Force fighter pilot once told me I have secrets only God and I know and that's the way it will remain **Inspector Ghote, His Life and Crimes** H. R. F. Keating, 2020-08-01 The best of the shorter
