Parenting An Only Child

James T. Webb

Parenting An Only Child:

Parenting an Only Child Susan Newman, 2001-12-11 By a child care authority and mother of an only child this useful knowledgeable book provides sound advice on creating an enriching environment that is stimulating and enjoyable for only children and their parents alike [The Seven Common Sins of Parenting An Only Child](#) Carolyn White, 2004-07-15 As the parent of an only child are you frustrated because you find yourself overindulging and overcompensating Do you treat your child like an adult overpraise or overprotect him Have you expected perfection from your child yet failed to make rules and implement them consistently If you are not a perfect parent of an only child you are not alone Based on the real life experiences of Carolyn White editor of Only Child parent and educator and hundreds of interviews with only children and parents of only children The Seven Common Sins of Parenting an Only Child celebrates the special rewards and opportunities of the single child family and offers a practical and often humorous guide for overcoming the most common errors parents can make when rearing an only child **The Future of Your Only Child** Carl E. Pickhardt, Ph.D., 2008-03-04 One child households have doubled over the last two decades making it one of the fastest growing family units in America Expert Carl Pickhardt aids families in understanding the common traits of many adult onlys like shyness perfection and intolerance so that they can better prepare for potential outcomes He also celebrates the positive qualities of only children and how to encourage characteristics like thoughtfulness creativity and ambition Pickhardt sheds new light on issues that many only child families encounter such as attachment problems conflicts between only child and parent performance anxiety unusually high personal expectations feelings of entitlement dependence problems with risk taking With a distinctive focus on long term effects this book will help refine and improve daily parenting methods Parents will welcome these insightful guidelines for the formative influence they wish to provide **The Case for Only Child** Susan Newman, 2011-05-09 What's really wrong with having one child Is one enough for you For your partner What constitutes a complete happy family Will your only child be lonely spoiled bossy selfish Read this book and find out Despite the personal distress and pressure to have a second baby the number of women having an only child has more than doubled in the last two decades What most people don't realize is that one child families outnumber families with two children and have for more than two decades In major metropolitan areas like New York 30 percent of families have a singleton Throughout the country people are following suit And it's no wonder why The worrisome biological clock secondary infertility older mothers Downtrodden job markets How mothers working affects everyone in the family Finances and housing and costs of education These are only the few things that parents today and parents to be contend with when deciding to start a family and determining whether or not to stop after one The time is right for a book that addresses the emerging type of nuclear family one that consists of a solo child Popular Psychology Today blogger and parenting author of fifteen books including the groundbreaking Parenting the Only Child Susan Newman Ph.D. grew impatient with the pervasiveness of only child folklore masquerading as fact and offers the

latest findings about the long term effects of being raised as a singleton In The Case for the Only Child Newman walks parents and future parents through the long list of factors working for and against them as well as highlights the many positive aspects of raising and being a singleton The aim of this book is to ease and guide parents through the process of determining what they want Although each situation is unique the profound confusion surrounding having a second child is similar It is one of the most difficult and life altering choices parents face Adding to one s family dramatically changes one s life and the life of one s firstborn forever What will a person give up in time money freedom intimacy and job advancement with another child in the household What will they gain The Case for the Only Child helps explore and resolve these perplexing questions

One and Only Lauren Sandler,2013-06-11 A swift and absorbing read may change your mind and the national conversation Psychology Today A funny tough minded case for being and having an only child debunking the myths about only children and taking glory in the pleasures of singletons Journalist Lauren Sandler is an only child and the mother of one After investigating what only children are really like and whether stopping at one child is an answer to reconciling motherhood and modernity she learned a lot about herself and a lot about our culture s assumptions In this heartfelt work Sandler legitimizes a vital discussion about the larger societal costs of having more than one Between the recession the stresses of modern life and the ecological dangers ahead there are increasing pressures on parents to think seriously about singletons Sandler considers the unique ways that singletons thrive and why so many of their families are happier One and Only examines these ideas including what the rise of the single child family means for our economies our environment and our freedom leaving the reader informed and sympathetic Nora Krug award winning author of Belonging Through this journey Sandler delves deeply thoughtfully and often humorously into history culture politics religion race economics and of course scientific research Lori Gottlieb New York Times bestselling author of Maybe You Should Talk to Someone Sandler has quite possibly cracked the code of happiness demonstrating that having just one may be the way to resolve our countless struggles with adulthood in the modern age

The Only Child Ann Laybourn,1994 Examines the only child myths in the light of research findings and suggests that far from being spoiled lonely or unhappy only children grow up to be as happy and well adjusted as anyone else This work brings the research findings to the attention of parents and professionals

Parenting an Only Child Susan Newman,1998-10 By a child care authority and mother of an only child this useful knowledgeable book provides sound advice on creating an enriching environment that s stimulating and enjoyable for only children and their parents alike

Only Child Rhiannon Navin,2019-02-05 International Bestseller Emotional sinks its hooks into you from the very first sentence Marie Claire Perfect for fans of Room this heartbreakingly important novel reminds readers that hope can be found in even the darkest moments Real Simple First grader Zach Taylor is in his classroom when a gunman enters the school auditorium and the unthinkable happens irrevocably changing the very fabric of this close knit community While Zach s mother pursues a quest for justice and Zach s father retreats into his work Zach finds

solace in the healing world of books and art Armed with his new insights and the optimism and stubbornness only a child could have Zach becomes determined to help the adults in his life rediscover the universal truths of love and compassion they need to pull them through their darkest hour A dazzling tenderhearted debut about healing family and the exquisite wisdom of children narrated by a six year old boy who reminds us that sometimes the littlest bodies hold the biggest hearts and the quietest voices speak the loudest **One and Done** Rebecca Greene,2023-01-03 Only doesn't mean lonely Families come in all shapes and sizes and even a family with one child is complete and whole But every family is unique and raising an only child can seem daunting As a therapist the mother of an only child and an only child herself Rebecca Greene is an expert in the variety of issues that surround raising an only child and she knows that parenting an only child is a complex endeavor no matter how you came to be one and done This comprehensive guidebook will explore the reasons why a family might have one child discuss the benefits of having an only child debunk the stigmas of only children and provide tips and strategies for creating a happy home environment and building a strong community for your only child It covers what to do when your only child is lonely how to develop new family traditions how to plan meaningful trips for your family how to choose the ideal neighborhood and more Packed with research first hand accounts and tried and true methods and advice One Done The Guide to Raising a Happy and Thriving Only Child is the ultimate resource for raising a happy and thriving only child

Parenting an Only Child Susan Newman,1990-01-01 By a child care authority and mother of an only child this useful knowledgeable book provides sound advice on creating an enriching environment that's stimulating and enjoyable for only children and their parents alike

Parenting an Only Child Carlos Cook,2014-12-26 When you say you love your child and would love to give him the best don't you often border on spoiling the only child It's Do you wish you could know when your love is a little more than necessary This handbook on how to raise a single child is very informative and helpful

Keys to Parenting the Only Child Carl E. Pickhardt,1997 An informative look at the mutual benefits the drawbacks and some of the challenges typical in only child situations The author outlines parent child relationships at different stages of childhood and adolescent growth He describes common patterns in an only child's peer relationships and the problem of an only child's tendency toward self centeredness

Just One Susan Newman,2025-07-15 Discover why having one child is not only a preferred family size but also a most enriching path to creating a thriving happy family Drawing from groundbreaking new research and interviews with over 100 families renowned psychologist Susan Newman Ph D dismantles the outdated myths about only children while providing a roadmap for confident parenting decisions Whether you're contemplating your family's size or already raising an only child this authoritative guide addresses the most pressing concerns Is one child right for me Am I being selfish No sibling Am I cheating my child What are the benefits of being an only child Why the selfish lonely only stereotypes no longer hold up How to raise a well adjusted compassionate only child Is caring for aging or ill parents too much for one child More and more families are embracing the solo child with little to no pressure from family and friends to

have another The one child family has become desired in the U S and worldwide in developed countries China England Korea France and Canada have already been labeled one child nations Just One explores the striking changes in cultural norms and personal challenges driving the popularity of the one child family from women starting families older and the high cost of raising children to women wanting to work and climate change concerns Written by one of America s leading parenting experts who has been featured in Psychology Today The New York Times and NPR Just One offers evidence based strategies for nurturing competent independent only children This timely guide speaks to a new generation of parents who are redefining what makes a perfect family size *Having Only Children Selfhelp Book* Jeffrey Rux,2021-04-03 You are a single child family with a choice to stop at one For you one child means giving it more time focus attention and love But questions like WHEN IS THE NEXT ONE ARRIVING Or ARE YOU PLANNING FOR THE SECOND disturb you The only child debate has been a long and drawn out conversation with polarising opinions The most prevalent and less than encouraging argument being that only children are spoiled bossy and anti social attaching a strong stigma for parents of only children and the children themselves This book emerges from practical insights for I have experienced most of the situations heard those comments for over a decade Having spoken to so many moms and couples too I thought it necessary to put all their experiences in a book *The Joy of the Only Child* Ellen Peck,1977 Author Ellen Peck here explodes the popular myth that only children are lonely selfish spoiled insecure and stubborn that they are either grasping egomaniacs or withdrawn introverts She shows that they actually tend to be friendly affectionate happy responsible sociable and industrious Sure she says only children sometimes report that they were lonely children but then children in large families often feel that way too The mere presence of brothers and sisters is no guarantee against loneliness or any of the other problems often attributed to only children And as for the parents new studies show that they tend to find parenting more pleasurable than do couples with more than one child They frequently feel less financial strain less physical and emotional wear and tear and they have more time to spend on their own development and on the development of their relationship they may even be more relaxed and have a better sense of humor From publisher description *You and Your Only Child* Patricia Nachman,Andrea Thompson,1998-02-03 Single child families are more common than ever before yet many parents are concerned that they are somehow cheating their child of a real family experience Recent findings however suggest that only children are frequently more confident verbal and quick to learn than children from larger families In this reassuring and practical book Dr Patricia Nachman presents solid well supported evidence that the myths surrounding only children are just that myths Drawing on her years of practice as a child psychologist Nachman offers proven parenting strategies for dealing with a range of issues unique to only child households while helping parents build a strong supportive relationship with their child Filled with insight and authoritative advice You and Your Only Child reassures parents that there is nothing unnatural about being or having an only child **A Parent's Guide to Gifted Children** James T. Webb,2007 Practical guidance in key areas of

concern for parents such as peer relations siblings motivation and underachievement discipline intensity and stress depression education planning and finding professional help **Parenting Only One Child** Frederick M Jefferson,2022-09-15 Is raising a happy sole child possible Can we be content with just one kid Both of these questions have a resounding yes as their response The percentage of couples choosing to just have one child has significantly increased in recent years Having only one child brings special considerations opportunities and benefits whether by choice or by chance The stereotypes of the lonely spoilt only child are dispelled by social psychologist Frederick M Jefferson who has been researching single child homes since the 1980s He also provides in depth discussion of the important topics such as Deciding on the ideal family size for you Resisting the urge to get another Retaining the balance of power in a home with three people Raising the only child by yourself Establishing limits with a young child who is accustomed to receiving your full attention Promoting only children's strong academic success originality and independence The results of having parents as role models rather than siblings Dispelling long standing myths about only children Establishing family networks and other future support systems This is the most approachable current manual of its kind with psychologist Frederick sharing his knowledge and offering practical advice while presenting fascinating findings and family stories Parenting Only One Child provides reassuring clarity and unique insight for couples who are either raising an only child or are considering the choice

Only-Child Experience and Adulthood B. Sorensen,2008-02-27 This book examines only child experience in global perspective and offers an insight into the dilemmas and challenges only children face as adults Explored from both a social and psychological perspective it reveals the complexity and multidimensional nature of the private and public worlds of the only child **Because I Am the Only Child** Loretta Campbell,Grant Alward,Onlychildproject,2014-10-27 A young boy wonders about his life as an Only Child Being the only son of his parents he has many benefits like having the last slice of cake or playing the whirlafoon But sometimes he feels a bit lonely and wishes he had siblings like his friend Marty who has forty three In this heart warming story witness the main character realise the pros and cons of being an only child and in the end know that his family is perfect the way it is Suitable for ages 4 8 years

Parenting An Only Child Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Another reliable platform for downloading Parenting An Only Child free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Parenting An Only Child free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Parenting An Only Child free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Parenting An Only Child. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or

magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Parenting An Only Child any PDF files. With these platforms, the world of PDF downloads is just a click away.
