## **Parenting Playfully:**

Playful Parenting Lawrence J. Cohen, Ph.D., 2008-11-19 Parents have heard that play is a child's work but play is not for kids only. As psychologist Lawrence J. Cohen Ph.D. demonstrates in this delightful new book, play can be the basis for an innovative and rewarding approach to parenting. From eliciting a giggle during baby's first game of peek-a-boo to cracking jokes with a teenager while hanging out at the mall, *Playful Parenting* is a complete guide to using play to raise strong, confident children. Have you ever stepped back to watch what really goes on when your children play? As Dr. Cohen points out, play is children's complex and fluid way of exploring the world, communicating hard-to-express feelings, getting close to those they care about, working through stressful situations, and simply blowing off steam. That's why playful parenting is so important and so successful in building strong, close bonds between parents and children. Through play, we join our kids in their world. We help them express and understand deep emotions, foster connection, aid the process of emotional healing, and have a great time ourselves while we're at it. Anyone can be a playful parent; all it takes is a sense of adventure and a willingness to let down your guard and try something new. After identifying why it can be hard for adults to play, Dr. Cohen discusses how to get down on the floor and join children on their own terms. He covers games, activities, and playful interactions that parents can enjoy with children of all ages, whether it's gazing deep into a baby's eyes, playing chase with a toddler, fantasy play with a grade schooler, or reducing a totally cool teenager to helpless laughter. *Playful Parenting* also includes illuminating chapters on how to use play to build a child's confidence and self-esteem, how to play through sibling rivalry, and how play can become a part of loving discipline. Written with love and humor, brimming with good advice and revealing anecdotes, and grounded in the latest research, *Playful Parenting* will make you laugh even as it makes you wise in the ways of being a happy, effective, enthusiastic parent.

*Playful Parenting* Lawrence J. Cohen, Ph.D., 2002-04-30 Have you ever stepped back to watch what really goes on when your children play? As psychologist Lawrence J. Cohen points out, play is children's way of exploring the world, communicating deep feelings, getting close to those they care about, working through stressful situations, and simply blowing off steam. That's why playful parenting is so important and so successful in building strong, close bonds between parents and children. Through play, we join our kids in their world and help them to express and understand complex emotions. Break through shyness, anger, and fear. Empower themselves and respect diversity. Play their way through sibling rivalry. Cooperate without power struggles. From eliciting a giggle during baby's first game of peekaboo to cracking jokes with a teenager while hanging out at the mall, *Playful Parenting* is a complete guide to using play to raise confident children. Written with love and humor, brimming with good advice and revealing anecdotes, and grounded in the latest research, this book will make you laugh even as it makes you wise in the ways of being an effective, enthusiastic parent.

Parenting Playfully Tom Potter, Beatrice Parnes, 1995      **Playful Parenting** Lawrence J. Cohen, 2001 *Playful Parenting* is every parent's answer to success with their kids. Built around the notion that play is at the heart of every child's life, this

timely book speaks to parents teachers and other adults in children s lives about the importance of play and how to access this mysterious realm as a point of connection with children As Lawrence J Cohen points out play is a child s way of exploring the world and helps kids communicate hard to express feelings get close to people they care about work through stressful situations or just blow off steam That s why playful parenting is so important and so successful in building strong close bonds between parents and children Through play we join our kids in their world We help them express and understand deep emotions foster connection aid the process of emotional healing and have a great time ourselves while we re at it Anyone can be a playful parent all it takes is a sense of adventure and a willingness to let down your guard and try something new After identifying why it can be hard for adults to play Dr Cohen discusses how to get down on the floor and join children on their own terms He covers games activities and playful interactions that parents can enjoy with children of all ages Playful Parenting also includes chapters on how to use play to help children learn new skills how to play through sibling rivalry and how play can become a part of loving discipline If there s o [Parenting-Let's Make a Game of It](#) Karen Thurm Safran,2019-03-27 Are you exhausted trying to get kids to listen If only there was a simple way to make parenting easier Good news there is Make parenting a game An Amazon 1 New Release in 7 parenting categories and perfect for busy parents This easy to read entertaining book shows playful ways to stop struggling with toddlers preschoolers and school age children Through light hearted 5 minute stories you ll learn playful parenting playfully Instead of yelling be like Mary Poppins and create games to deal with everyday challenges Within minutes even strong willed children will listen and cooperate Kids love to play so when you re playful you work with your children rather than against them The results You ll make parenting more fun You ll empower your kids And your family will spend more time connecting Written with a down to earth tone this book leaves you feeling encouraged Want your kids to help with chores Chapter 5 A Playful Let s Keep The House Neat Unpacking Game will inspire you Children taking forever getting ready Chapter 21 Avoiding the Morning Madness tackles this annoying issue Tired of your child procrastinating with school assignments Chapter 25 The Spiffy Project Planning Calendar nips that habit and teaches organizational skills Is your child anxious Chapter 11 The Secret Magical Breath teaches stress reduction with mindful breathing Want your child to overcome fears Chapter 12 Winning the Spider Game will make you chuckle at this mom s creativity If this approach helped the author as a stressed out parent it can help you too Here s to playful parenting Praises Wonderfully written and so witty I am usually skeptical of parenting self help books but I could not be more impressed with this book It is broken down into easy to read chapters and every snippet is so applicable to many aspects of parenting The Honest Mom mommy blogger This delightful whimsical book is a fun easy to read treasure Missy Brown founder of Deep Play for Kids A charming and helpful book for anyone struggling with their young children Written in a whimsical tone the book s gentle wisdom unfolds until you discover your ability to loosen up have fun and enjoy your kids Dr Fred Luskin author of Forgive for Good and director of the Stanford University Forgiveness Projects **The Playful**
