

A woman with long dark hair, wearing a light-colored long-sleeved shirt, is sitting on a light-colored couch, looking down and holding her head in her hands, appearing distressed. In front of her, a young child with short brown hair, wearing a teal shirt, is sitting with their back to the camera, facing the woman. The background shows a window with vertical blinds and a white wall.

PARENTING THROUGH A MENTAL HEALTH CRISIS

Parenting Through Crisis

Yijin Wang

Parenting Through Crisis:

Parenting Through Crisis Barbara Coloroso, 2010-01-26 In this companion to her bestselling *Kids are Worth It* parenting educator Barbara Coloroso shows how parents can help children find a way through grief and sorrow during the difficult times of death illness divorce and other upheavals She offers concrete compassionate ideas for supporting children as they navigate the emotional ups and downs that accompany loss assisting them in developing their own constructive ways of responding to what life hands them At the heart of her approach is what she calls the T A O of Family Time Affection and Optimism coupled with her deep understanding of how people move through grief Barbara Coloroso's clear answers to difficult questions are enriched by uplifting humor and insightful anecdotes from her own experiences as a Franciscan nun mother of three and her thirty years as a parenting educator With this Guide in hand parents can feel assured that they are responding with wisdom and love when children need them most

When the Whole World Tips Celia Landman, 2023-11-21 A wise welcoming book Hard fought and friendly it provides practical instructions on how to stay centered when our children are suffering Anne Lamott bestselling author Move from helplessness to stability in challenging times through the practice of mindful equanimity By adopting a spiritual approach to parenting and caregiving you can protect yourself from burnout increase your resilience and develop a greater sense of empathy and balance Drawn from Buddhist wisdom this new approach to showing up in overwhelming circumstances is about slowing down letting go of the illusion of control and caring for yourself so that you can be a presence of love and support even in the most difficult moments We love our children more deeply than our own selves yet are powerless to keep them from pain Drawing from her own experience parenting her children through clinical depression suicidal ideation and physical injury Celia Landman guides parents at their limit back from helplessness toward stability through the ancient practice of equanimity or balance Contemporary neuroscience and developmental psychology research demonstrates how a parent's state of anxiety is directly communicated to the child and can intensify their pain When the Whole World Tips is rich with real life examples from parents in the midst of caring for children in crisis plentiful resources and helpful exercises Each chapter offers accessible practices for parents to care for themselves in order to remain present for their children Landman gently guides parents to restore their own balance by keeping their hearts open and their hands loose on the wheel of control as their child's life unfolds This shift into equanimity can bring relief to both child and parent Woven throughout are practices to help parents experience how their emotional state of being is as important as what they do when we recognize that being a presence of love and care is already doing something of great value we can reconnect with purpose and restore our trust that we are capable and enough

Parenting Wit and Wisdom from Barbara Coloroso Barbara Coloroso, 2003 Parenting Wit Wisdom is a wonderful introduction to the unique philosophy of parenting educator and internationally bestselling author Barbara Coloroso This companion to her full length books *kids are worth it* and *Parenting through Crisis* takes the wit wisdom of each and combines them into a portable

treasure of quick tips and solid advice on both the basics of parenting and helping kids in times of loss grief and change

responsible and thoughtful children **A Recipe for Success** Shelley Kinash,2007-09-06 This book explores health and wellness through the lens of Prader Willi syndrome PWS highlighting innovative approaches to combat health and quality of life issues It offers insights for parents adults medical professionals teachers self advocates families and policymakers on supporting healthy lives for those with PWS and beyond

A Year of Intentional Parenting Julie Freedman-Smith,Gail

Bell,2014-11-25 What do you do on those days when you love but don t like your kids As educators parenting coaches and parents themselves authors Julie Freedman Smith and Gail Bell deeply understand the day to day challenges of parenting In 2002 they founded Parenting Power in Calgary to provide empathetic non judgemental support and practical skills to other parents facing similar struggles In A Year of Intentional Parenting Julie and Gail give busy parents one practical tip per week for improving communication with their kids smoothing out persistent conflicts and acting intentionally Full of straightforward sometimes poignant and often humourous advice this collection will prove invaluable for parents who want to work through the trials of modern parenting with loving kindness and fun

Raising Depression-Free Children Kathleen

Panula Hockey,2003-08-06 Raising Depression Free Children **Parenting the Crisis** Tracey Jensen,2018-03-28 Bad parenting is so often blamed for Britain s broken society manifesting in sites as diverse as the government reaction to the riots of 2011 popular entertainment like Supernanny and the discussion boards of Mumsnet This book examines how these pathologising ideas of failing chaotic and dysfunctional families are manufactured across media policy and public debate and how they create a powerful consensus that Britain is in the grip of a parent crisis It tracks how crisis talk around parenting has been used to police and discipline families who are considered to be morally deficient and socially irresponsible Most damagingly it has been used to justify increasingly punitive state policies towards families in the name of making bad parents more responsible Is the real crisis in our perceptions rather than reality This is essential reading for anyone engaged in policy and popular debate around parenting

Parenting Through Crisis Catherine Power Doyle,1997

"Does Wednesday

Mean Mom's House or Dad's?" Marc J. Ackerman, 2008-03-31 Thorough in coverage and updated with topics that affect today's families Does Wednesday Mean Mom's House or Dad's Second Edition helps you keep your children in the number one priority spot before during and after your divorce Nonjudgmental in tone the new edition will show you how to put your kids best interests first as you work with your spouse to parent together while living apart **Kids are Worth It!** Barbara

Coloroso, 2001 Featuring a new Introduction by bestselling author Barbara Coloroso this parenting classic is set to teach a new generation of parents the importance of treating kids with dignity and respect Rejecting the quick fix solutions of punishment and reward Barbara uses everyday family situations from sibling rivalry to teenage rebellion to demonstrate sound strategies for giving children the inner discipline and self confidence that will help them become responsible resourceful resilient and compassionate adults **Parenting Through Illness** Leigh Collins, Courtney Nathan, 2016-09-27

Parents get sick Their lives change radically and quickly This book offers immediate practical and experienced advice for adult family members and others responsible for the wellbeing of children when one parent has a serious illness The authors are both clinical social workers with years of training and time spent with children and families in crisis They establish a clear and authoritative voice while keeping a tone of encouragement throughout With its matter of fact language the book is organized to make it easy for parents to turn to the sections they most need when they need them Collins and Nathan keep their readers focused on the child in every situation while always supporting reasonable boundaries in positive self care for the adults who serve them The authors remind us that the task of parenting is hard enough even when Mom and Dad are healthy energetic and emotionally strong Add a diagnosis of cancer heart disease or a debilitating accident to the mix and parenting can quickly become overwhelming They acknowledge that anyone faced with a serious health crisis will be challenged daily to decide on treatment options to reorient priorities and to deal with the many stages of grief that humans suffer when confronted with survival issues They help us remember that one member's illness will affect the entire family system and explain how The book is unique It deals with any kind of serious illness not just cancer It explains how children of different age ranges commonly react to a parent's illness or other family crisis It suggests specific language in talking to children of different ages A full chapter is devoted to advantages and disadvantages of using information technology rarely covered in other books on this topic Based on extensive qualitative research Includes excerpts from interviews with parents and children coping with illness in the family Both authors rely on their training but also on early life experience in which they encountered traumatic family events As a teenager Courtney Nathan lost her mother to breast cancer Leigh Collins suffered a terrible accident as a young child and was confined in hospital for many weeks Their book reflects a dedication to other families who face such life altering circumstances The book has received wide endorsement from medical doctors and social service personnel who know the urgent need for this information for their patients and **Next Generation Evidence** Kelly Fitzsimmons, Tamar Bauer, 2023-12-15 Build Me the Evidence features innovative thinking from leaders

across policy philanthropy research and practice on how to build a stronger more equitable data and evidence ecosystem
