Parents and Children in the Inner City Harriett Wilson, Geoffrey William Herbert, 2006-12-21 First Published in 2006 Routledge is an imprint of Taylor Francis an informa company      **Parents and Children in the Inner City** Harriett WILSON, 1979      **Doing the Best I Can** Kathryn Edin, Timothy J. Nelson, 2014-08-15 Across the political spectrum unwed fatherhood is denounced as one of the leading social problems of today Doing the Best I Can is a strikingly rich paradigm shifting look at fatherhood among inner city men often dismissed as deadbeat dads Kathryn Edin and Timothy J Nelson examine how couples in challenging straits come together and get pregnant so quickly without planning The authors chronicle the high hopes for forging lasting family bonds that pregnancy inspires and pinpoint the fatal flaws that often lead to the relationship s demise They offer keen insight into a radical redefinition of family life where the father child bond is central and parental ties are peripheral Drawing on years of fieldwork Doing the Best I Can shows how mammoth economic and cultural changes have transformed the meaning of fatherhood among the urban poor Intimate interviews with more than 100 fathers make real the significant obstacles faced by low income men at every step in the familial process from the difficulties of romantic relationships to decision making dilemmas at conception to the often celebratory moment of birth and finally to the hardships that accompany the early years of the child s life and beyond      **Theoretical Perspectives in Environment-Behavior Research** Seymour Wapner, 2000 Following upon the Handbook of Japan United States Environment Behavior Research published by Plenum in 1997 leading experts review the interrelationships among theory problem and method in environment behavior research The chapters focus on the philosophical and theoretical assumptions underlying current research and practice in the area and link those assumptions to specific substantive questions and methodologies      Parents, Children, and Adolescents Anne Marie Ambert, 2020-12-18 Parents Children and Adolescents presents an integrative perspective of the parent child relationship within several contexts You can expand your empirical and theoretical knowledge of the parent child relationship and child development through the book s unusually holistic theoretical perspective that integrates three main frameworks interactional theories on parents children and development contextual ecological models and behavior genetics This insightful book s empirical scope is broader than that of most books in that it considers the parent child relationship throughout the life course as well as within a great variety of contexts including interactions with sibling and peers at school in their neighborhoods and with professionals You ll gain immeasurable knowledge about parents child rearing styles and how they are affected by environmental variables the interaction between parents and children and between their personalities behavior genetics as one of the explanatory frameworks for the role of genetics and environment negative child outcomes emotional problems conduct disorders and delinquency poverty and other stressors affecting parents and children problematic abusive emotionally disturbed alcoholic parents siblings and peers as contexts for the parent child dyad the effect of the school system on the family with a focus on

minority families family structure divorce remarriage and families headed by never married mothers adolescent mothers and their own mothers the psychogenetic limitations on parental influence and cultural roadblocks to parental moral authority Complete with an Instructor s Manual Parents Children and Adolescents is ideal for advanced undergraduate and graduate classes in family studies and human development sociology of the family interdisciplinary developmental psychology and social work classes that need a thorough perspective on the parent child relationship Professionals and scholars in these fields seeking an interdisciplinary framework as well as research suggestions and incisive critiques of traditional perspectives will also find this innovative book a valuable addition to their reading lists Child abuse and neglect programs ,1978 **Our Children are Our Only Heritage** ,1967 *Research in Education* ,1974 **Otto E.
