Parents Guide To Chinese Pediatric Massage:

A Parent's Guide to Chinese Pediatric Massage Kyle Cline, 1993 Chinese Massage for Infants and Children Kyle Cline, 1999-06-01 A leading practitioner of Chinese medicine provides a parents handbook of simple massage plans that can alleviate most common childhood ailments Effective for colic bedwetting asthma colds coughs chicken pox teething earache and other conditions Easy to use workbook format with 22 illustrated massage plans and step by step instruction allows parents to become active caregivers for their children For over one thousand years the Chinese have brought comfort relief and well being to their children through a sophisticated yet easy to use system of massage Now Kyle Cline a Licensed Massage Therapist trained at Shanghai s prestigious College of Traditional Chinese Medicine teaches Western parents how to become active caregivers for their children by using Chinese massage techniques to alleviate childhood ailments from the simple colds coughs chicken pox to the chronic colic bedwetting asthma Chinese Massage for Infants and Children grounds parents in the basics of Chinese medicine then illustrates 9 massage techniques 63 massage points and 22 complete massage plans With additional information on a general health plan for all children and on using Chinese herbal remedies Chinese Massage for Infants and Children can substantially reduce visits to the pediatrician and use of prescription medicines while improving the bond between parent and child that is at the heart of good health *Chinese Pediatric Massage* Kyle Cline, 2000-02 Chinese pediatric massage takes into account how a child s energetic framework differs from that of an adult making it tolerable for children easy on their parents and highly effective in improving the child s long term health This clearly illustrated guide is designed to give all health care providers the tools they need to successfully use Chinese pediatric massage **The Shambhala Guide to Traditional Chinese Medicine** Daniel P. Reid, 1996-04-30 The Chinese approach to health and healing is a rich and complex tradition encompassing disease prevention diagnosis and treatment of the full spectrum of illnesses as well as offering a holistic approach to mental health More than a system of medicine in the Western sense of the term the Chinese approach to health care reflects the Taoist belief in the importance of promoting balance and harmony in body mind and spirit In traditional Chinese medicine this goal is achieved through nutrition herbs acupuncture massage exercise meditation and other holistic methods that restore the natural patterns of the human system This book is an accessible and highly readable introduction to all the major aspects of this vast tradition Topics covered include The foundation of traditional medicine in Chinese history The theory of chi energy and how it influences health The Chinese approach to health happiness and longevity The use of Chinese herbal medicine and herbal formulas Diet and nutrition as a form of preventive medicine Acupuncture acupressure and massage including sample techniques for self massage The practice of chee gung or moving meditation as a means of promoting good health Meditation and internal alchemy Suggestions for further reading and other resources **Chinese Pediatric Massage** Kyle Cline, 2000-02-01 A leading practitioner of Chinese medicine provides Western therapists with a comprehensive illustrated handbook for the noninvasive

treatment of childhood conditions Provides alternatives to Western medicine that are more tolerable to children and better for their long term health With over 200 drawings and photographs to guide practitioners through the massage treatments in the text A valuable addition to the repertoire of any health practitioner A noninvasive alternative to conventional Western medicine Chinese pediatric massage provides practitioners with greater flexibility in choosing a successful course of treatment to improve the health and energy of children without overwhelming their systems Chinese pediatric massage has fewer side effects than other forms of treatment making it more tolerable for children easier on their parents and more effective in improving the patient s long term health This clearly illustrated guide is designed to give all health care providers massage therapists homeopathic and allopathic practitioners and bodyworkers who know the general concepts of traditional Chinese medicine the tools and knowledge they need to successfully use Chinese pediatric massage in treating their patients Effective on children from birth through preadolescence Chinese pediatric massage is a valuable therapeutic addition to the repertoire of any practitioner It considers how a child s energetic framework differs from that of an adult and accounts for these physiological and anatomical differences through assessment point locations and treatment

Keeping Your Child Healthy with Chinese Medicine Bob Flaws,1996 Discusses 38 common paediatric diseases and their treatment using Chinese medicine and alternative therapies *Pediatric Tuina* Waheed Alnassfan,2022-07-09 An easy to read and informative guide to pediatric massage techniques that have been used by Chinese traditional medical practitioners for years This book explains the benefits of pediatric tuina and provides a roadmap for parents to understand what this traditional Chinese therapeutic massage can do to prevent and treat certain medical conditions like coughs colds constipation mouth ulcers asthma loss of appetite and many other common ailments and conditions Inside this guide for parents you ll learn A brief history of Chinese Therapeutic Massage Physiological and pathological characteristics of children Diagnostic signs A comparison between different massage schools Preventive Massage And more Discover what generations of people have practiced for ages Learn the techniques and benefits Find answers to your questions This guide is written in an easy to understand style and provides all the information you need to explore Pediatric Tuina and how to use it to ease your child s pain and discomfort Read *Pediatric Tuina A Parent s Guide* today

Natural BabyCare Colleen K.
