## Parents Guide To Teens And Cults:

**A Parent's Guide to Teens and Cults** Larry E. Dumont, Richard I. Altesman, 1989 *A Parent's Guide to Teens and Cults* Sarah Stevens, 1989 A Parents' Guide to Teens and Cults Knopf Doubleday Publishing Group, Random House Publishing Group, 1989-08 *A Parent's Guide for Raising Spiritually Mature Teenagers* Greg Grimwood, 2008 Is your teenager self focused and unappreciative? There is no greater influence in the life of a teenager than his or her parents yet most parents spend very little time considering how to strategically mentor their teenagers towards spiritual maturity. In *A Parent's Guide for Raising Spiritually Mature Teenagers* author Greg Grimwood equips parents with practical and easy to implement strategies for helping your teenagers grow into godly young adults. Cult and Ritual Abuse James Randall Noblitt, Pamela Perskin Noblitt, 2014-07-15 This personal yet scholarly journey into the confusing and clandestine world of ritual abuse survivors sheds light on their catastrophic experiences and their efforts to heal afterward. Revised, updated, and expanded, this third edition of a classic study is one of the most authoritative and evenhanded volumes to tackle its hotly debated subject matter. Incorporating the authors' firsthand observations, the book provides historical, anthropological, and psychological context for contemporary reports of both ritual abuse and ritual crime. In addition to sharing patient vignettes and a history of cult and ritual abuse in society, the authors explore fascinating topics related to these practices: among them, what triggers personality shifts for victims even many years after the abuse has stopped. Importantly, the book shows how ritual abuse affects society as a whole, influencing civil and criminal law, politics, legislation, social movements, social welfare, and psychological theory. It provides unique insights into the scientific study, forensic investigation, and implementation of social services for survivors of cult and ritual abuse, discusses new research and treatment strategies, and establishes the foundation for a psychological diagnosis to be called Cult and Ritual Trauma Disorder. **The Profits of Misery** United States.
