Pornographers, Hacks, and Blackmailers in Interwar France H.G. Cocks,2024-11-14 After the 1881 declaration of press freedom France enjoyed a golden age of print arguably up until the 1950s This book shines a much needed light on one of the key elements of France s new literary age that being the production of pornography of all kinds H G Cocks reveals how publishers and writers both mainstream and clandestine tried to cash in on the vogue for erotic literature which surfaced at the time Though the vast majority of what was produced was no more than risqu or saucy Cocks shows that this was seen as far more dangerous than frank sexual imagery as it was mostly legal and within the range of the ordinary reader Pornographers Hacks and Blackmailers in Interwar France reflects on how as a result of this gold rush for what one writer called the faux obscene a great deal of writing journalism and quite a

few literary and even political careers were supported by the writing of pornography For some this new wave of indecent literature seemed to be sapping the morale of the Republic while for others it was simply part of the creative literary and journalistic ferment of the period In that sense Cocks convincingly argues the pornographic became part of the curious mixture of cultural energy and malaise that enveloped the struggling French democracy *Operetta* Richard Traubner,2004-06-01 *Operetta* A Theatrical History is considered the classic history of this important musical theater form Traubner s book first published in 1983 is still recognized as the key history of the people and productions that made operetta a worldwide phenomenon Beginning in mid 19th century Europe the book covers all of the key developments in the form including the landmark works by Strauss and his followers Gilbert Sullivan Franz Lehar Rudolf Friml Victor Herbert and many more The book perfectly captures the champagne and ballroom atmosphere of the greatest works in the genre It will appeal to all fans of musical theatre history Illustrations of the Literary History of the Eighteenth Century by John Nichols ,1831 *Illustrations of the Literary History of the Eighteenth Century* John Nichols,John Bowyer Nichols,1831 **Parisian Frolics** Bill Adler,2000 This is the story of a French gentleman who spends his afternoons sampling the delights of Parisian houses of pleasure When he discovers that his clandestine partner is really his unhappily married cousin he joins her and another friend in a marvelous menage a trois **Billboard Music Week** ,1929 The Little Book of Erotica Alison Bullivant,1999 Sexual Imaginings Lisa Z.
