Ian Carter

Parlour 4 And Other Stories:

Parlour 4 and Other Stories John Innes Mackintosh Stewart,1986 **[Parlour four and other stories] ; Parlour four and other stories** Michael Innes,1986 **Ancient Cultures of Conceit** Ian Carter,2019-10-08 The campus novel is one of the best loved forms of fiction in the post war period But what are its characteristic themes What are its prejudices And what does it take for granted Originally published in 1990 this is the first study to connect literary historical and sociological aspects of modern British universities It shows that the culture celebrated in British university fiction represents a particular view of humane education which has its origins in the values of Oxbridge Threats are seen to come from the redbrick and new universities from proletarians scientists including sociologists women and foreigners This exhilarating book makes a nonsense of sociology s reputation for turgid and plodding analysis Sharp witted shrewd and penetrating it will be of interest to students of sociology literature and for the same wide audience that appears to have an insatiable appetite for stories about university life *Concordances to Conrad's Typhoon and Other Stories and Within the Tides* Todd K. Bender,Kirsten A. Bender,2020-04-30 Originally published in 1982 this title supplies a complete verbal index listing all the words in the texts with their locations a word frequency table and a field of reference which establishes a page line reference system for locating each context The user will look first in the word frequency table to see whether or not the word in question occurs in these works Then they will turn to the verbal index to find the line and page on which it occurs and finally turning to the location in the field of reference they will find the context for their word

A History of Child Welfare Lisa Merkel-Holguin,2017-11-30 As we approach the year 2000 infant mortality rates child placement dilemmas and appropriate socialization of children continue to challenge the field of child welfare It is thus especially significant to reflect on the history of child welfare The carefully selected topics explored in this volume underscore the importance of recovering past events and themes still relevant It is the aim of this volume to illumine current issues by a review of past struggles and problems A History of Child Welfare offers many examples of practices that have direct import for those who struggle to support children Who is not bothered by what seem to be increasing acts of violence by children against children The role of hidden cruelty to children in perpetuating violence is illuminated by studying the past Historians and social researchers have gone far in examining the family and by implication their revelations greatly increase society s complex responses to children over time from early assumptions that children were little more than miniature adults to the discovery of childhood as a special developmental period At the start of this century women still did not have universal suffrage and brutal child labor was not unusual Harsh legal codes separating the races were widespread and those bent on improving the lot of children knew that reform meant commitment to an uphill struggle By the end of the century much has changed child labor while still present has been outlawed in most industries women vote and hold many high offices and de jure racial segregation is largely a memory Yet the state of children remains precarious with poverty a persistent theme

throughout the century The fifteen articles in this volume cover a wide range of social conditions public policies and approaches to problem solving Though history does not repeat itself precisely problems controversies about solutions and certain themes do A History of Child Welfare takes up social and economic conditions that correlate with increasing rates of child abuse and neglect and an increasing number of children in out of home care This volume distinguishes approaches that have been useful from those that have failed In this way these serious reflections help build on past successes and avoid previous errors

Pink roses, and other stories Margaret Scott Haycraft,1895 *Mercy and the Mouse and Other Stories* Peggy Bacon,1928 Tells the story of a strong willed cat from her childhood in the cellar to her rise to the parlour The Radio and Other Stories Gil Ndi-Shang,2021-04-03 On moving into a new apartment abroad in his Bavarian hometown the narrator realises that some of his possessions and elements of his new neighbourhood open a window into a flurry of memories serving as allegorical threads to his childhood self consciousness and discovery of the world What begins as a personal narrative quickly cedes to a social archaeology inviting the reader listener on a homegoing journey in the backdrop of Cameroon s tottering democratic trajectory Modulated with poetry and music The Radio tunes in to diaspora home nation education existence religion as well as Mbum popular culture showcasing creative re appropriation and re mixing of global trends and icons in specific communities The Young Fisherman, and Other Stories ... With Eight Illustrations by W. H. Thwaites, Etc George William MacArthur Reynolds,1863 A Rough Diamond, and Other Stories. [With Plates.] Rough diamond,1884 **Lucas Garcia, and Other Stories** ,1876 *The young cragsman, and other stories* Robert Richardson (B.A.),1878 **The Mainstream Companion to Scottish Literature** Trevor Royle,2012-01-06 The Mainstream Companion to Scottish Literature is the most comprehensive reference guide to Scotland s literature covering a period from the earliest times to the early 1990s It includes over 600 essays on the lives and works of the principal poets novelists dramatists critics and men and women of letters who have written in English Scots or Gaelic Thus as well as such major writers as Robert Henryson William Dunbar Gavin Douglas Allan Ramsay Robert Fergusson Robert Burns Walter Scott Robert Louis Stevenson and Hugh MacDiarmid the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature Also included here are entries on the lives of other more peripheral writers such as historians philosophers diarists and divines whose work has made a contribution to Scottish letters Other essays range over such general subjects as the principal work of major writers literary movements historical events the world of printing and publishing folklore journalism drama and Gaelic A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works This comprehensive guide is an essential tool for the serious student of Scottish literature as well as being an ideal guide and companion for the general reader **Gilbert's first voyage, and other stories by M.C. Halifax, T. Miller, F.H. Wood, and others** M C. Halifax,1893 Who is your best friend? And other stories for children Who,1883 *The Novel in Britain Since 1970* British Council,1989 *Bookseller* ,1883 Vols for 1871 76

1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1887 The Bookseller and the Stationery Trades' Journal ,1888 Official organ of the book trade of the United Kingdom **Phil Thorndyke's adventures, and other stories. By F.M. Wilbraham and others** Phil Thorndyke (fict. name.),1894
