The story follows Helen McGill, a spirited woman who embarks on an unexpected adventure when she takes over a traveling bookstore from her wayward brother. Morley employs a charming, lighthearted prose style that captures the essence of early 20th century America while also reflecting the literary nostalgia of a bygone era. As Helen

Morley,1955 *Parnassus on Wheels* Christopher Morley,2021-04-20 This is the prequel to the perennially popular 1919 bestseller *The Haunted Bookshop* Though the books share a certain *joie de vivre* they are quite different in style and presentation *Parnassus on Wheels* is much less consciously intellectual the narrator has a distinctive voice which is exclusive to her story while *Bookshop* is a different kettle of fish entirely I liked them both in different ways Thirty nine year old spinster Helen McGill lives a contented life on the small farm she owns with her brother Andrew At least it was contented a happy contrast from her previous occupation as a governess in the city which she joyfully left in order to join her brother in his quest for a more congenial way of life to combat his ill health The farm was just the ticket Andrew has been usefully occupied with crops and pigs and mild rural pleasures while Helen has kept the home fires burning and her chickens productively producing eggs
