## **Parousia and Man Made God:**

*Parousia* M. Jerista Lampman, 1997-12-01      **The Ways of Our God** Charles H. H. Scobie, 2003 At a time when Old Testament and New Testament studies are considered to be two very different tasks this major new work by Charles Scobie offers an approach to biblical theology meant to take in the entire sweep of divine revelation Comprehensive in scope this book covers every aspect of biblical theology Chapters are devoted first to the nature and task of biblical theology and then to major themes within the biblical message God's order God's servant God's people and God's way Each section of the book also features an extensive system of helpful cross references Not only is Scobie's attempt to bridge the biblical testaments admirable but he also takes great care to present scholarship that is at the same time informed by and relevant to the daily life and work of the church The result is a book that is relevant to readers everywhere Accessible to teachers clergy students and general readers alike this book will reinvigorate the study of the Bible as the unified word of God      **The great day of the Lord, a survey of New Testament teaching on Christ's coming** Alexander Brown (of Aberdeen.), 1894      A Bible Study Investigation into Our Relationship to God and into ?The Time of the End? Trevor Pope, 2011-03 Throughout the entire Christian era Adventist groups have been announcing that the return of Jesus Christ is imminent This book is a reminder that until some awesome prophecies of which Jesus warned have been fulfilled His return cannot be imminent When questioned about the signs preceding His return Jesus warned of deception of international hatred of Christians and of the prophet Daniel's forecast of an unprecedented time of trouble that would almost destroy mankind To those in Thessalonica long ago who believed the Lord's return was imminent the apostle Paul wrote You must allow no one to deceive you in any way That day cannot come until the Great Rebellion has taken place Quoting from Daniel Paul describes an appalling rebel and how the Lord's appearing will remove him Despite these warnings from Jesus and Paul many Christians today regard these old prophecies as largely metaphorical and as having been fulfilled To their infinite loss they overlook them and perpetuate the age old prediction that the Lord's return is imminent In contradiction to that many prophecies related herein prove that the three and a half years of the time of the end have not yet begun      **The Gospel of the Son of God** David R.
