Parsifal in Full Score Richard Wagner, 2013-07-02 Unabridged score of composer's last opera renowned for splendid music glowing orchestration and deeply personal treatment of the legend of the Holy Grail Reprint of authoritative C F Peters edition *Complete preludes and fugues* Johann Sebastian Bach, 1891 This volume reproduces all 25 of Bach's complete sets of preludes and fugues i.e. compositions written as pairs from the authoritative Bach Gesellschaft edition Ideal for reading study and performance Table of contents *Printed Opera Scores in American Libraries*, 1998 *Arias, Ensembles, & Choruses* John Yaffé, David Daniels, 2011-11-17 Conductors John Yaff and David Daniels have created a one stop sourcebook for orchestras opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance In this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works Modeled on Daniels *Orchestral Music* *Arias Ensembles Choruses* includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e.g. duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield's music editor for assistance **Musical Anthologies for Analytical Study** James E. Perone, 1995-09-30 Presenting detailed information about 14 standard anthologies this useful music reference tool lists all excerpts and complete compositions provides information concerning the type of score presented and includes an index of composers and sources as well as an index of complete compositions and movements The book is designed primarily for researchers and teachers of music theory to make the search for analytical source material easier and faster than previously possible The anthologies cited are all currently in print or are generally available in music libraries The book lists all excerpts complete compositions and movements contained in the anthologies providing information concerning the type of

score full piano reduction etc employed source of the excerpt and specific theoretical topics This is the only book that details anthologies in a manner that makes a search quick and easy *STORIES OF THE GREAT OPERAS AND THEIR COMPOSERS* ERNEST NEWMAN,1930 **The study of the history of music, with an annotated guide to music** Edward Dickinson,1908 *Bulletin of the Osterhout Free Library* Osterhout Free Library,1903 *Children in Opera* Andrew Sutherland,2020-12-03 This book provides a musicological investigation into operas that include children Just over 100 works have been selected here for an in depth discussion of the composer the children and the productions and around 250 relevant works from around the world are also referenced Four composers to have most significantly proliferated the medium are discussed in even greater detail C sar Cui Benjamin Britten Gian Carlo Menotti and Peter Maxwell Davies Since opera began it has been inextricably linked to society by reflecting and shaping our culture through music and narrative and as a result children have been involved Despite the contribution they played for several centuries their importance was overlooked By tracing the development of children s participation in opera this book uncovers the changing attitudes of composers towards them and how this was reflected in the wider society From the early productions of the seventeenth century to those of the twenty first century the operatic children s role has undergone a fundamental change It almost seems that contemporary composers of operas view the inclusion of children in some way as ubiquitous The rise of the children s opera chorus and the explosion of children s only productions attest to the changing view of the value they can bring to the art Some of the children to have characterised these roles are discussed in this book in order to redress the disproportionate lack of acknowledgement they often received for their performances **Dictionary Catalog of the Music Collection** New York Public Library. Reference Department,1964 Baker's Biographical Dictionary of Musicians Theodore Baker,Alfred Remy,1919 **The Study of the History of Music** Edward Dickinson,1908 *Catalogues of Sales* Sotheby & Co.
