Participatory Development Communication A West African Agenda

Ikechukwu Enoch Nwosu, E. O. Soola

Participatory Development Communication A West African Agenda:

Participatory Development Communication International Development Research Centre (Canada), 1996 Participatory Development Communication A West African agenda **Participatory Development Communication** International Development Research Centre (Canada), 1996 The International Development Research Centre has invested in an effective program in the processing manipulation and dissemination of information in support of the development process To address the absence of a dedicated program related to the communication processes how information was being received acted upon assessed by various target groups and how the assessment was communicated back to the originators the Centre created the CIME Communication Information Media Education program This publication presents the conceptual framework which led to the articulation of the CIME program and explains in detail how it was formulated with references to conclusions of a regional meeting of African nongovernmental organisations It also contains conclusions of another meeting organised to discuss various aspects of the program with Canadian experts in development communication and representatives of African nongovernmental organisations Sections of the publication contain papers on participatory development communication communication and nonformal education women and communication and communication and training needs **Towards Participatory Development Communication?** Khumeleni Ruward Kangala, 2003 Globalization, Development and the Mass Media Colin Sparks, 2007-11-20 Globalization Development and the Mass Media gives a comprehensive and critical account of the theoretical changes in communication studies from the early theories of development communication through to the contemporary critiques of globalization It examines two main currents of thought Firstly the ways in which the media can be used to effect change and development It traces the evolution of thinking from attempts to spread modernity by way of using the media through to alternative perspectives based on encouraging participation in development communication Secondly the elaboration of the theory of media imperialism the criticisms that it provoked and its replacement as the dominant theory of international communication by globalization **Understanding Community Media** Kevin Howley, 2009-09-11 A text that reveals the value and significance of community media in an era of global communication With contributions from an international team of well known experts media activists and promising young scholars this comprehensive volume examines community based media from theoretical empirical and practical perspectives More than 30 original essays provide an incisive and timely analysis of the relationships between media and society technology and culture and communication and community Key Features Provides vivid examples of community and alternative media initiatives from around the world Explores a wide range of media institutions forms and practices community radio participatory video street newspapers Independent Media Centers and community informatics Offers cutting edge analysis of community and alternative media with original essays from new emerging and established voices in the field Takes a multidimensional approach to community media studies by highlighting the social economic cultural and political significance of alternative

independent and community oriented media organizations Enters the ongoing debates regarding the theory and practice of community media in a comprehensive and engaging fashion Intended Audience This core text is designed for advanced undergraduate and graduate courses such as Community Media Alternative Media Media Social Change Communication Culture and Participatory Communication in the departments of communication media studies sociology and cultural studies

Communication for Social Change Anthology Alfonso Gumucio Dagron, Thomas Tufte, 2006 Contains nearly 200 readings published between 1927 and 2005 in English or translated from other languages on the historical roots and pioneering thinking regarding communication for social change Covers a variety of topics including the radio tv and other mass communication information and communication technology the digital gap the formation of an information society national information policies participatory decision making communication of development pedagogy and entertainment education HIV AIDS communication for prevention etc Journal of Social Development in Africa ,2005 *The Routledge Companion to Media and Poverty* Sandra L. Borden, 2021-07-19 Comprehensive and interdisciplinary this collection explores the complex and often problematic ways in which the news media shapes perceptions of poverty Editor Sandra L Borden and a diverse collection of scholars and journalists question exactly how the news media can reinforce or undermine poverty and privilege This book is divided into five parts that examine philosophical principles for reporting on poverty the history and nature of poverty coverage problematic representations of people experiencing poverty poverty coverage as part of reporting on public policy and positive possibilities for poverty coverage Each section provides an introduction to the topic as well as a broad selection of essays illuminating key issues and a Q A with a relevant journalist Topics covered include news coverage of corporate philanthropy structural bias in reporting representations of the working poor the moral demands of vulnerability and agency community empowerment and citizen media The book s broad focus considers media and poverty at both the local and global levels with contributors from 16 countries This is an ideal reference for students and scholars of media communication and journalism who are studying topics involving the media and social justice as well as journalists activists and policy makers working in these areas Toward a Knowledge Society for African Development Phenny Birungi, Maria G. Musoke, 2004 **The Role of Communication and Education for Sustainable Coastal Development** ,1999 Ebenezer Soola Conference on Communication ,2007 *Indaba99* ,1999 **HIV/AIDS & the Media Journal** ,2004 Communication in Global, ICTs and Ecosystem Perspectives Ikechukwu Enoch Nwosu, E. O. Soola, 2007 *Biodiversity, Equity and the Environment* International Development Research Centre (Canada), 1998 **The Nigerian Journal of Communications** ,2001 Inter-institutional Collaboration in Central America Daring to Share Erik Nielsen, 1998 **Protecting and Promoting Traditional Knowledge** Sophia Twarog, Promila Kapoor, 2004 Consists of papers presented at a conference on traditional knowledge in 2000 A Review of Research for Development ,1997 **Walking on the Other Side of the Information Highway** Jan Servaes, 2000
