Parties In Wartime:

Parties at War Andrew Thorpe, 2009-01-08 The Second World War represented the most sustained challenge to the British party system during the twentieth century *Parties at War* explores how the main political parties responded to this challenge showing that struggles over organization had significance for the long term development of party in modern British politics

Parties in Wartime Louise Price Bell, 1943 *The Labour Party, War and International Relations, 1945-2006* Mark Phythian, 2007-10-11 This book provides an in depth political analysis of the Labour Party's attitude towards war and international relations since 1945

Britain in the Second World War Mark Donnelly, 1999-06-24 This book presents a new and vivid survey of politics society culture and military strategy in Britain between 1939 and 1945 It covers the major historical debates in these areas

THE POLITICAL PARTY IN AMERICAN THOUGHT. ROBERT PHILLIPS, 1929 British Labor and the War Paul Underwood Kellogg, Arthur Gleason, 1919

The Party of Patriotism Nigel Keohane, 2016-12-05 The First World War was a period of turbulent and unprecedented political upheaval that witnessed contrasting fortunes for Britain's major political parties This book demonstrates how the Conservative Party was able to respond effectively in these years by refining a wartime patriotism that ensured its unity as a party helped define its electoral fortunes and shaped ideological cohesion Concepts of patriotism determined not only attitudes to the prosecution of the war to voluntary and forced military enlistment but also to class politics Irish Unionism democratic reform and the relationship between citizen and state Fundamental conclusions about modern Conservatism emerge its organic ideological genesis into a property defending party its peculiar willingness and capacity to adapt not only to the immense challenges of total war but also to the new political climate awakened by the conflict Conservatism was therefore at once flexible and ideological Filling the historiographical gap created by an overemphasis upon its rival Liberal and Labour parties and using previously unused party sources this study sheds new light on many aspects of the war of Conservative Party history and its regeneration following three disastrous general election defeats in succession and of British politics in the twentieth century

The Logic of American Politics and Logic of American Politics in Wartime Pkg. CQ Press, Samuel Kernell, Gary C. Jacobson, 2003-07 A core American politics textbook complete with a range of free teaching ancillaries The American political system is extraordinary and complex Samuel Kernell and Gary Jacobson help students develop a sophisticated appreciation of the possibilities and limits of American politics Encouraged to think and not merely to memorise facts students will come to understand why political institutions the politicians who occupy them and the citizens who monitor and respond to their actions behave as they do A nation as large and diverse as the United States faces enormous challenges Kernell and Jacobson analyse political institutions and practices as imperfect solutions to problems facing people who need to act collectively highlighting throughout the text such obstacles as conflicts over values and interests the difficulty of agreeing on a course of action and the problem of free riding They describe how the choices made

to resolve such problems at one moment affect politics in the future long after the problems have faded The intelligible logic of American politics is analysed further in three sets of thematic boxes that appear throughout the text The Logic of Politics boxes dissect the design of various political institutions in light of the objectives they were intended to achieve Strategy and Choice boxes new to the second edition show how officeholders and those seeking to influence them employ institutions to advance their goals Politics to Policy boxes show how public policies reflect the institutions that produce them and evaluate institutional capacity to solve America s problems Public policy is treated as an integral subject and is examined throughout the book rather than in separate chapters that are often left unassigned Politics into Policy boxes in particular extend the authors analysis looking at such issues as the tightening of the borders in the wake of terrorists attacks how smoking evolved from a private to a public issue and the decades long battle over campaign finance reform Special features include Chapters open with lively and topical stories that draw students in Thematic questions at the beginning of each chapter serve both to preview important themes and to get students thinking critically An abundance of carefully produced or selected tables figures photographs and other visuals thoroughly updated for the second edition illustrate and expand on the text Captions enrich or exemplify points of discussion New exercises on the accompanying website help students learn to interpret the graphic presentation of data Key terms are defined in boldface on first use summarized at chapter end with page numbers and defined in a glossary at the back of the book Chapter objectives summaries and electronically graded quizzes to help students review and study the material are offered on the web at logic.cqpress.com Annotated suggested readings lists and endnotes assist students in their exploration of American politics beyond the pages of the book Additionally the Logic website provides CQ Weekly articles that illustrate the logic in contemporary American politics as well as links to the best relevant sites on the Internet Adopters will receive a free subscription to CQ s Politics Daily e newsletter Unlike general news sources that focus on national polls and punditry CQ Politics Daily analyses th

The European War, 1918 Wartime Strikes Martin Glaberman, 1980 The Socialist Workers Party in World War II James Patrick Cannon, 1975 *Mobilizing for Modern War* Paul A. C. Koistinen, 1997 In this volume Koistinen examines war planning and mobilizing in an era of rapid industrialization and reveals how economic mobilization for defense and war is shaped at the national level by the interaction of political economic and military institutions and by increasingly powerful and expensive weaponry *Stamler V. Willis*, 1965 **Major Problems in the Civil War and Reconstruction** Michael Perman, 1991 This best selling title designed to be either the primary anthology or textbook for the course covers the Civil War s entire chronological span with a series of documents and essays **Patriot Fires** Melinda Lawson, 2002 The Civil War is often credited with giving birth to the modern American state The demands of warfare led to the centralization of business and industry and to an unprecedented expansion of federal power But the Civil War did more than that as Melinda Lawson shows it brought about a change in American national identity redefining the relationship between the individual and the government Though much has been

written about the Civil War and the making of the political and economic American nation this is the first comprehensive study of the role that the war played in the shaping of the cultural and ideological nation state In *Patriot Fires* Lawson explains how when threatened by the rebellious South the North came together as a nation and mobilized its populace for war With no formal government office to rally citizens the job of defining the war in patriotic terms fell largely to private individuals or associations each with their own motives and methods Lawson explores how these interpreters of the war helped instill in Americans a new understanding of loyalty to country Through efforts such as sanitary fairs to promote the welfare of soldiers the war bond drives of Jay Cooke and the establishment of Union Leagues Northerners cultivated a new sense of patriotism rooted not just in the subjective American idea but in existing religious political and cultural values Moreover Democrats and Republicans Abolitionists and Abraham Lincoln created their own understandings of American patriotism and national identity raising debates over the meaning of the American idea to new heights Examining speeches pamphlets pageants sermons and assemblies Lawson shows how citizens and organizations constructed a new kind of nationalism based on a nation of Americans rather than a union of states a European styled nationalism grounded in history and tradition and celebrating the preeminence of the nation state Original in its insights and innovative in its approach *Patriot Fires* is an impressive work of cultural and intellectual history As America engages in new conflicts around the globe Lawson shows us that issues addressed by nation builders of the nineteenth century are relevant once again as the meaning of patriotism continues to be explored

Party-military Relations In The Prc And Taiwan Hsiao-shih Cheng,1990-05-30
Beating Plowshares Into Swords Paul A. C. Koistinen,1996 Koistinen describes how an undeveloped preindustrial economy forced Americans to fight defensive wars of attrition like the Revolution and the War of 1812 By the time of the Mexican War however a gradually maturing economy allowed the United States to use a much more offensive minded strategy to achieve its goals The book concludes with an exhaustive examination of the Civil War a conflict that both anticipated and differed from the total wars of the industrialized era Koistinen demonstrates that the North relied upon its enormous economic might to overwhelm the Confederacy through a strategy of annihilation while the South bungled its own strategy of attrition by failing to mobilize effectively a much less developed economy

Banner of People's War, the Party's Military Line Nguyễn Giáp Võ,1970 **Annual Report of the American Historical Association** American Historical Association,1918

Parties In Wartime Introduction

In the digital age, access to information has become easier than ever before. The ability to download Parties In Wartime has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parties In Wartime has opened up a world of possibilities. Downloading Parties In Wartime provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parties In Wartime has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parties In Wartime. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parties In Wartime. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Parties In Wartime, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parties In Wartime has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.
