[7 Secrets to Successful Sales Management](#)

Jack D. Wilner, 1997-12-29 There are hundreds of books out there on sales but 7 Secrets to Successful Sales Management is one of the few aimed directly at the most critical person in the sales organization the sales manager. A practical hands-on guide, the book presents an integrated approach to sales management and combines the author's experience with innovative strategies for motivating your sales force, recruiting quality sales people, and training new employees. Written by a grizzled veteran, the book reflects his success and allows you to learn from his mistakes. As Jack Wilner is fond of saying, Nothing in this book is theoretical. It's all based on one thing and one thing only: what works.

Joseph F. Hair, Jr., Ralph Anderson, Rajiv Mehta, Barry Babin, 2020-09-16 The second edition of Sales Force Management prepares students for professional success in the field. Focused on the areas of customer loyalty, customer relationship management, and sales technology, this practical resource integrates selling and sales management while highlighting the importance of teamwork in any sales and marketing organization. The text presents core concepts using a comprehensive pedagogical framework featuring real world case studies, illustrative examples, and innovative exercises designed to facilitate a deeper understanding of sales management challenges and to develop stronger sales management skills. Supported with a variety of essential ancillary resources for instructors and students, Sales Force Management, 2nd Edition includes digital multimedia PowerPoints for each chapter equipped with voice over recordings ideal for both distance and in person learning. Additional assets include the instructor's manual, computerized and printable test banks, and a student companion site filled with glossaries, flash cards, crossword puzzles, and more. Integrating theoretical, analytical, and pragmatic approaches to sales management, the text offers balanced coverage of a diverse range of sales concepts, issues, and activities. This fully updated edition addresses the responsibilities central to managing sales people across multiple channels and through a variety of methods. Organized into four parts, the text provides an overview of personal selling and sales management, discusses planning, organizing, and developing the sales force, examines managing and directing sales force activities, and explains effective methods for controlling and evaluating sales force performance.
