Managing Language In Piers Plowman:

Managing Language in Piers Plowman Gillian Rudd,1994 A fresh approach to ambiguities of language in Piers Plowman *Managing Language in Piers Plowman* Gillian Rudd,1990 *Encounters with God in Medieval and Early Modern English Poetry* Charlotte Clutterbuck,2017-07-05 Engaging with four English poems or groups of poems the anonymous medieval Crucifixion lyrics William Langland s Piers Plowman John Donne s Divine Poems and John Milton s Paradise Lost this book examines the nature of poetic encounter with God At the same time the author makes original contributions to the discussion of critical dilemmas in the study of each poem or group of poems The main linguistic focus of this book is on the nature of dialogue with God in religious poetry an area much neglected by grammarians and often overlooked in studies of literary style It constitutes an important contribution to our understanding of the relationship between literature and theology *Medievalism, Multilingualism, and Chaucer* M. Davidson,2009-12-21 In new readings of medieval language attitudes and identities this book concludes that multilingualism informed masculinist discourses which were aligned against the vernacular sentiment traditionally attributed to Langland and Chaucer Communication, Translation, and Community in the Middle Ages and Early Modern Period Albrecht Classen,2022-08-22 Literature serves many purposes and one of them certainly proves to be to convey messages wisdom and instruction and this across languages religions and cultures Beyond that as the contributors to this volume underscore people have always endeavored to reach out to their community members that is to build community to learn from each other and to teach Hence this volume explores the meaning of communication translation and community building based on the medium of language While all these aspects have already been discussed in many different venues the contributors endeavor to explore a host of heretofore less considered historical religious literary political and linguistic sources While the dominant focus tends to rest on conflicts hostility and animosity in the pre modern age here the emphasis rests on communication with its myriad of challenges and potentials for establishing a community As the various studies illustrate a close reading of communicative issues opens profound perspectives regarding human relationships and hence the social context This understanding invites intensive collaboration between medical historians literary scholars translation experts and specialists on religious conflicts and discourses We also learn how much language carries tremendous cultural and social meaning and determines in a most sensitive manner the interactions among people in a communicative and community based fashion **Medieval English Literature** Beatrice Fannon,2015-12-01 This volume brings together a wide range of original scholarly essays on key figures and topics in medieval literature by leading academics The volume examines the major authors such as Chaucer Langland and the Gawain Poet and covers key topics in medieval literature including gender class courtly and popular culture and religion The volume seeks to provide a fresh and stimulating guide to medieval literature **Imagined Romes** C. David Benson,2019-05-10 This volume explores the conflicting representations of ancient Rome one of the most important

European cities in the medieval imagination in late Middle English poetry Once the capital of a great pagan empire whose ruined monuments still inspired awe in the Middle Ages Rome the seat of the pope became a site of Christian pilgrimage owing to the fame of its early martyrs whose relics sanctified the city and whose help was sought by pilgrims to their shrines C David Benson analyzes the variety of ways that Rome and its citizens both pre Christian and Christian are presented in a range of Middle English poems from lesser known anonymous works to the poetry of Gower Chaucer Langland and Lydgate Benson discusses how these poets conceive of ancient Rome and its citizens especially the women of Rome as well as why this matters to their works An insightful and innovative study Imagined Romes addresses a crucial lacuna in the scholarship of Rome in the medieval imaginary and provides fresh perspectives on the work of four of the most prominent Middle English poets **Studies in the Age of Chaucer** ,1990 George Eliot and the Discourses of Medievalism Judith Johnston,2006

The medievalism this work addresses is confined to texts written in Middle English Its focus is on British medievalism which operates within an assumed Christianity a Christianity which underwent radical change both in the Reformation and in Victorian England Medieval Literature and Historical Inquiry David Aers,2000 Historicist readings of the politics and ethics exhibited in a range of medieval texts including Chaucer Malory and the York Corpus Christi plays Critical historicist readings engage with the politics and ethics of selected medieval texts addressing a wide range of literature and topics of enquiry Langland Chaucer and the Pearl poet Malory and the York Corpus Christi plays chivalric cultures their forms of identity and mourning and the politics ethics and theology of some of the most fascinating writing in late medieval England Intended as a tribute to Professor Derek Pearsall and reflecting his major contribution to medieval literary criticism they are an important addition to the critical and historical study of the period DAVID AERS is James B Duke Professor of English and Professor of Historical Theology at Duke University *Literature Criticism from 1400 to 1800* James E.
