## **Managing Medicine:**

Managing diabetes, managing medicine Martin D. Moore, 2019-03-01 Through its study of diabetes care in twentieth century Britain Managing diabetes managing medicine offers the first historical monograph to explore how the decision making and labour of medical professionals became subject to bureaucratic regulation and managerial oversight Where much existing literature has cast health care management as either a political imposition or an assertion of medical control this work positions managerial medicine as a co constructed venture Although driven by different motives doctors nurses professional bodies government agencies and international organisations were all integral to the creation of managerial systems working within a context of considerable professional political technological economic and cultural change An electronic edition of this book is freely available under a Creative Commons CC BY licence

## **Managing Drugs in Sport**

Jason Mazanov, 2016-10-04 As ongoing high profile drug scandals have demonstrated sports organisations rarely have a coherent strategy to manage the role and relationship their sport has with different types of drugs from alcohol to supplements to prescription drugs to doping This important and timely book argues that drug control led integrity management of sport is more than an ideological battle around doping The relationship sport has with the drugs industry has become a much broader management problem The breadth of the problem compels stakeholders in sport including athletes coaches fans public servants and sports managers to understand better the issues in pursuit of effective strategies and responses Drawing on cutting edge management theory this book explores the dilemma of drugs in sport It introduces the policy and business contexts that have shaped responses to this issue and examines its significance to sport and integrity management including human resource management marketing and risk management It discusses practical management concerns such as working with scientists and anti doping organisations and offers clear recommendations for the future management of sports integrity The first book to offer a complete framework for a drugs management strategy for sport Managing Drugs in Sport is essential reading for all advanced students researchers and practitioners working in sport management sport business sport policy sport governance and business ethics

## **The Medical Library Association Guide to Managing Health Care Libraries**

Ruth Holst, Sharon A. Phillips, 2000 Many hospitals and health care organizations that were independent freestanding institutions are now part of large health systems that deliver patient care in a variety of inpatient ambulatory and community settings Vast changes in the U S health care system are reshaping how librarians provide services to physicians and other patient caregivers as well as to medical and allied health sciences students and faculty Twenty one experts have contributed to this groundbreaking text Their individual chapters offer specific practical advice on administrative issues planning and marketing financial management space planning collection development cataloging and classification document delivery audiovisual services every aspect of managing today s ever changing health care library Required reading for any librarian offering health care information to professionals faculty or consumers
