## Manchester Marriage:

**Victorian Short Stories: Stories of Successful Marriages** Henry James, Thomas Hardy, George Moore, Elizabeth Cleghorn Gaskell, Walter Besant, 2023-08-12 The anthology *Victorian Short Stories: Stories of Successful Marriages* curates a comprehensive exploration into the nuanced portrayals of marriage during the Victorian era through the lens of some of the period's most celebrated writers. Spanning a gamut of literary styles from the realistic social critique to the romantic and the gothic, this collection showcases the diversity and complexity of matrimonial themes reflecting the evolving societal norms and individual aspirations of the time. The anthology stands out for its inclusion of both renowned and lesser-known works, offering readers a multifaceted understanding of Victorian sensibilities towards marriage. The contributing authors, Henry James, Thomas Hardy, George Moore, Elizabeth Cleghorn Gaskell, and Walter Besant, bring their unique voices and literary backgrounds to the collection, enriching it with their personal and cultural nuances. Each author's work provides insight into the historical and cultural framework of the Victorian age with narratives that either challenge or reinforce contemporary notions of marital success. Their collective contributions highlight the era's tension between individual desires and societal expectations, presenting marriage as both an institution and an intimate partnership. This anthology not only invites literary enthusiasts but also scholars and students of Victorian culture to delve deep into the complexities of successful marriages as portrayed in these stories. Readers are offered a unique opportunity to engage with varying perspectives and themes all the while gaining a broader understanding of the Victorian epoch's social fabric. Through this exploration, the collection serves as an invaluable educational tool, prompting reflection and discussion on the enduring question of what constitutes a successful marriage.

*Victorian Short Stories: Stories of Successful Marriages* Коллектив авторов, 2021-03-16 *Genealogical and Personal Memoirs* William Richard Cutter, 2000 *Gaskell and the Law* Paul Mitchell, 2025-12-11 This is the first ever study of law in the fiction of Elizabeth Gaskell. Elizabeth Gaskell is best known today as a novelist of social realism. Until now, however, her use of law, which is crucial to her portrait of society, has never been systematically explored. This book shows that Gaskell's fiction is rich with insights into the law of her time and that reading her work with a lawyer's eye deepens and enriches the reading experience. The book explores Gaskell's work as a whole. It gives careful attention to her most famous novels but also engages with the lesser-known novels and the shorter fiction, showing that these often overlooked works contain a wealth of original ideas and legal interest. Gaskell's fiction is shown consistently demonstrating a skilled, accurate, and critical handling of legal rules and a sensitivity to law's personal and social effects. She does not limit herself to mid-nineteenth-century issues but enters into such fundamental questions as the individual's obligation to obey the law and the relation between law and fiction. The book shows that a hitherto unappreciated aspect of Gaskell's genius as a writer is that she integrates this sophisticated engagement with law seamlessly so that it contributes to the cumulative artistic effect of her work. As a leading scholar of Victorian legal history, Paul Mitchell brings an in-depth knowledge of the law to his close
