Edouard Manet Édouard Manet,1963 **Manet** Édouard Manet,Hermann Jedding,1959 **Masters of Art** Pierre Courthion,2004-05-11 Even a century after his death Edouard Manet remains one of the most enigmatic and intriguing painters in the history of art Manet does not fit the image of a tormented reclusive disheveled artist He was in fact impeccably dressed courteous and had a respect for traditional values Why then was his work so outrageously provocative why was he snubbed and ridiculed The truth is that Manet was one of the first artists who can truly be called modern He insisted on the personal integrity of the artist on the self sufficiency of the work of art and on the right to draw on previous art as well as on nature for pictorial motivation He ignored hoary academic techniques and rules and worked spontaneously impulsively bringing a highly individual and fresh vision to almost everything he painted In spite of the controversial reception afforded his work during his lifetime his technical virtuosity was celebrated he change the way oil painting was practiced throughout the world This book includes 40 colorplates supplemented by numerous black and white reproductions from back cover *Manet* George Mauner,2001-02-01 Presents the still life paintings of the great Impressionist master Edouard Manet including a wide variety of oil paintings watercolors and prints as well as an essay on the artist and his work
