Manila Workers Unions 1900-1950:

Manila Workers' Unions, 1900-1950 Melinda Tria Kerkvliet, 1992 **American Workers, Colonial Power** Dorothy B. Fujita-Rony, 2003-03-04 An immensely ambitious book American Workers Colonial Power is a regional history with ever widening spatial and social circles each one layered and complex Filipina o Seattle this study shows reflects and exemplifies much of the American West and U S and affirms the mutually influential relationship especially in terms of culture between the U S and the Philippines This is a work of deep scholarship and broad significance Gary Y Okihiro author of Common Ground Reimagining American History **Asian Labor in the Wartime Japanese Empire** Paul H. Kratoska, 2014-12-18 During the Pacific War the Japanese government used a wide range of methods to recruit workers for construction projects throughout the occupied territories Mistreatment of workers was a major grievance both in widely publicized cases such as the use of prisoners of war and forced Asian labor to construct the Thailand Burma Death Railway and in a very large number of smaller projects In this book an international group of specialists on the Occupation period examine the labor needs and the recruitment and use of workers whether forced military or otherwise throughout the Japanese empire This is the first study to look at Japanese labor policies comparatively across all the occupied territories of Asia during the war years It also provides a graphic context for examining Japanese colonialism and relations between the Japanese and the people living in the various occupied territories **Handbook Global History of Work** Karin Hofmeester, Marcel van der Linden, 2017-11-20 Coffee from East Africa wine from California chocolate from the Ivory Coast all those every day products are based on labour often produced under appalling conditions but always involving the combination of various work processes we are often not aware of What is the day to day reality for workers in various parts of the world and how was it in the past How do they work today and how did they work in the past These and many other questions comprise the field of the global history of work a young discipline that is introduced with this handbook In 8 thematic chapters this book discusses these aspects of work in a global and long term perspective paying attention to several kinds of work Convict labour slave and wage labour labour migration and workers of the textile industry but also workers organisation strikes and motivations for work are part of this first handbook of global labour history written by the most renowned scholars of the profession Directory of Filipinists in Australia , 1992 **Routledge Handbook of Southeast Asian Politics** Richard Robison, 2012-03-12 Now available in paperback this Handbook provides a comprehensive analysis of the major themes that have defined the politics of Southeast Asia It provides a comprehensive and cutting edge examination of this important subject The introductory chapter provides an overview of the theoretical and ideological themes that have dominated the study of the region s politics and presents the different ways the complex politics of the region have been understood The contributions by leading scholars in the field cover a range of broad questions about the dynamics of politics The Handbook analyses how the dominant political and social coalitions of the region were forged in the Cold War era and assesses the

complex processes of transition towards various forms of democratic politics How institutions and systems of governance are being forged in an increasingly global environment is discussed and whether civil society in Southeast Asia has really evolved as an independent sphere of social and political activity The Handbook examines how national governments are dealing with growing tensions within the region as matters such as labour human rights and the environment spill beyond national boundaries and how they are establishing a place in the new global framework By engaging the Southeast Asian experience more firmly with larger debates about modern political systems the Handbook is an essential reference tool for students and scholars of Political Science and Southeast Asian studies **The Union Obrera Democratica** William Henry Scott,1992

The Communist Party of the Philippines, 1968-1993 Kathleen Weekley,2001 **Philippine national bibliography**,1994 **American Doctoral Dissertations** ,1989 Filipino American History, Identity and Community in Hawai'i Jonathan Y. Okamura,1996 Articles written in commemoration of the 90th anniversary of Filipino immigration to Hawai i Describes and analyzes the experience of Filipino immigrants and their descendents the the creation of identity community and participation in Hawai i **International Books in Print** ,1990 **The Chinese in the Philippine Economy, 1898-1941** Kwok-Chu Wong,1999 A pioneering analysis of the business history of the Chinese in a Southeast Asian country This book critically examines the essential elements of the entrepreneurial roles of the Philippine Chinese in the local economy in 1898 1941 and analyzes their business achievements and limitations at both the community and individual levels
