AUTHOR, 2015-09-27 Excerpt from Manly Anniversary Studies in Language and Literature The most characteristic trait of Lazamon s poetic style is his remarkable profusion of epic formulas similar phrases used repeatedly as a rule in similar circumstances In a sea voyage wind stod an willen I 47 76 etc when an army is needed the king sende his sonde wide zend pane londe I 19 etc There are more than one hundred and twenty five formulas each found three or more times and one or other on an average once in every ten lines Not derived from Lazamon s French original they are normal in early epic as is shown by the frequency of epic formulas in Homer the Chanson de Roland the Cantar de mio Cid and other early poems But Anglo Saxon poets like modern deliberately avoided them and cultivated variety and ingenuity of phrasing In Beowulf one of the two formulas a full line long is merely that which introduces a speech the commonest in early poetry and few formulas are frequently or perhaps even consciously used This avoiding a natural epic usage is a sign of the artificial sophistication of Anglo Saxon poetry The simile is a fairly well marked trait of Lazamon s style Among the epic formulas several found some dozens of times contain similes a fighter is compared to a boar or to a lion and a multitude to the falling of hail There are very many short insignificant similes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **English Studies** ,1923 **The President's Report** University of Chicago, 1925 1897 98 includes summaries for 1891 to 1897 **Annual Bibliography of English Language and Literature** ,1922 Includes both books and articles **Studies in English** University of Texas, 1928 *English Association Bulletin* English Association, 1922 Bibliographies of English language and literature lists of new members of the association and lists of publications of the association are included **Studies in English** ,1926 *Annual Report of President for the Year ...* Cornell University.
