Mannered Grace:

A Mannered Grace Elizabeth Friedmann, 2005-01-01 A decade in the making and eagerly anticipated here is the authorized biography written by the woman Laura Riding Jackson took into her confidence Elizabeth Friedmann met Laura Riding Jackson in 1985 after five years of correspondence and worked with her until her death in 1991 From the vantage point of a close friend and with access to all of Riding Jackson's papers Friedmann now sheds new light on the life and work of one of the most important yet perplexing figures in American and British literary history With fascinating detail Friedmann recreates the writer and her world We share a young Laura's excitement when in the early 1920s her poems attract the attention of John Crowe Ransom and Allen Tate We recognize her sense of destiny when she goes to England and begins her productive collaboration with Robert Graves Friedmann shows the life and world circumstances that led to such historic works as *A Survey of Modernist Poetry* written with Graves and the *Collected Poems* of 1938 She takes us into Laura's diverse circle of associates that included Hart Crane Gertrude Stein and Virginia Woolf So intimate is this portrait that the scandals of Riding Jackson's personal and professional life her three life with Graves and Nancy Nicholson her attempted suicide her role in the breakup of Schuyler Jackson's first marriage and her renunciation of poetry are demystified put into perspective made understandable Friedmann shows that Riding Jackson was not a divided woman as some have said Rather she maintained a mannered grace and possessed an inner consistency of thought and purpose Beautifully written fair minded and compassionate *A Mannered Grace* humanizes a complex and often demonized figure and allows for a reassessment of her remarkable achievement
