defective components in the microwave oven      *Microwave Oven Repair Made Easy* Humphrey Kimathi, 2021-01-07 As the  
title of the book implies this book is written from the technician workbench point of view No theories and long stories  
therefore what is in this book is what you will expect first hand when a microwave oven is brought to your workshop for  
repair The author Humphrey Kimathi has over 20 years experience in repair and service of home electrical appliances  
Microwave oven which was invented in 1958 by accident has become an household name as many families have adopted this  
mode of warming food in seconds An increase for the use of this technology has come with the need for personnel to service  
and maintain these gadgets Unlike other home electrical appliances microwave repair is the most dangerous both to the user  
and service personnel In this regard I have dedicated a full chapter on the safety around working on the microwave and also  
testing microwave leakage for the safety of the user before handing back the machine to the customer and also for the  
service technician SAFETY FIRST      *Home Appliance Repair Guide* Gene Hamilton, Karl Michael Baymor, 1982-11
