

I lost a bet with my girlfriend who had magical powers, and as punishment, she transported me into the world of Tomb Raider where I became Lara Croft. Not only was I stuck in the game until she beat it, controlling my every move but I was also stuck as Lara Croft until then. It was that day I learned that Lara doesn't wear a tank top, but a full blown leotard. Anyway she explained that if I died in the game, I died in real life. During our play through, we reached Midas Palace where I faced the risk of turning into gold if I touched Midas' hand. Despite my efforts to stop her, she jumped onto Midas hands, and I was slowly transformed into gold from the feet up. Helpless, I watched as the gold consumed me entirely expecting to die when the gold took over my head, but instead I was met with life. I was still alive! But I was still stuck as gold, leaving me trapped as a solid gold statue for eternity! Days turned into years, and I resigned myself to my fate, forever stuck in my gold form with only my leotard, shorts, and the weight of my new body to keep me company.

**Midas Windfall's Problem** Eric M. Fleming, 2000-12-01 Here's how I decide whether to purchase a book I know nothing about I flip through and read the last line of some of the chapters What follows is the last line from every chapter in Midas Windfall's Problem save one That omission would have given too much away Mystery I realized after reading these that the last line from each chapter gives the kind of impression of a book that a stuffed grizzly bear gives of the real thing From now on I'll purchase books based entirely on their cover art or those titles endorsed by a celebrity I encourage you to do the same eric Of course everything worked perfectly for Midas Windfall that was his problem That Midas was given every advantage to make money and every contact to do so and a wad of capital to get the ball rolling put him in the position to follow in his parent's gold plated footprints Most people back then and still believed things without any evidence to support them at all He called his offer An act of parental love He stood up donned his jacket and strode out into the rain Then like today it made people feel warm and important when they were smiled at A dream come true Midas egressed the cafe feeling very significant indeed The desk did not turn into solid gold Here's the thing kids still do His sense of humor had improved too Midas understood what the psychologist was saying beat off all you want but act like it is the last thing you'd be caught dead doing Midas crawled out of the wreckage and was wrapped in a coat and told to lie down and hold still The boys had stolen his marbles too How true Soon enough every body had had enough and that was that Just like in everything what appeared to be and what actually was were two very different things That was the day he decided to attend philosophy classes exclusively Everyone thought regardless their income that if they could make just a little more money they could finally get ahead After all their wild cavorting they settled into the big hotel bed and slept it all off He simply wanted to let everyone know that if they wanted anything he had won they should come and get it Back then and still that was one way unwanted cats were killed Instead he was leaving the country The media like every other financially successful corporation knew a profitable scheme when they saw it Midas like most people throughout history who have learned to levitate levitated whenever he got the chance because he could Or levitate Imagine Back then like now if someone was winning by such a margin that the opponent was being profoundly humiliated the game was not fun to play at all Because Midas gave away what he thought was all his money in India the good lawyer told him he could avoid paying taxes altogether Back then like now if someone appeared to be doing a good turn most people held that person in high esteem even if the person was simply doing it for personal gain Incognito Midas was as the doctor told Midas mother Not that crazy He said Blood is thicker than water and My boy's a gold mine Security Before long the prize supply trucks were dropping packages off on the dirt ruin of what was Midas next door neighbor's house     *Weekly World News*, 2004-01-20 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site     **The Publishers Weekly**, 1969
