## **Middle East On The Eve Of Modernity Aleppo In The Eighteenth Century:**

**The Middle East on the Eve of Modernity** Abraham Marcus, 1989 In this innovative historical portrait of society in the premodern Middle East Abraham Marcus takes us on a guided tour of a past world revealing its inner workings and throwing new light on its realities during the crucial century before the onset of modernization in the region Focusing on the great Syrian city of Aleppo he pieces together aspects of life ranging from business and family to disease and popular pastimes This work of social history shows how many of the accepted notions and assumptions about what is commonly called premodern Islamic or traditional society are inaccurate or unfounded and draws our attention to the intricacies of a world that may appear alien and exotic but was by no means simple primitive or static

Abraham Marcus, American Council of Learned Societies, Columbia University Middle East Institute, 1989 Everyday Life and Consumer Culture in Eighteenth-Century Damascus James P. Grehan, 2011-07-01 Damascus was for centuries a center of learning and commerce Drawing on the city's dazzling literary tradition a rich collection of poetry chronicles travel accounts and biographical dictionaries as well as on Islamic court records James Grehan explores the material culture of premodern Damascus reconstructing the economic infrastructure social customs and private consumer habits that dominated this cosmopolitan hub in the 1700s He sketches a lively history of diet furniture fashion and other aspects of daily life providing an unusual and intimate account of the choices constraints and compromises that defined consumer behavior Coffee tobacco and light firearms had arisen as new luxury items in preceding centuries and Grehan traces the usage of such goods in order to get a picture of the overall standard of living in the premodern Middle East He looks particularly at how wealth and poverty were defined and how consumption patterns expressed notions of taste class and power illuminating the prominent role played by Damascus in shaping the economy and culture of the Middle East In assessing the magnitude of social change in modern times we have few benchmarks from the period preceding the onset of modernity in the nineteenth century This informative study will make possible more precise cultural and economic comparisons between different parts of the world as it stood on the brink of a radically new economic and political order The book's focus on a little examined period and region will appeal to scholars and students of urban social history and Arab popular culture

*Hindiyya, Mystic and Criminal, 1720-1798* Bernard Heyberger, 2013-03-28 In this compelling narrative Bernard Heyberger relates the fascinating history of Hindiyya Ujaymi a highly charismatic eighteenth century mystic of sinister repute Heyberger makes a careful study of Hindiyya's life from earliest childhood with a detailed picture of her formative years in the eighteenth century Christian community of Aleppo the domestic reality of which is little known exploring the influences she would have experienced He leads us through her spiritual development under the direction of the Jesuits her

determination to found a new religious order and the tragic history of its collapse in a welter of paranoia and persecution Heyberger also reveals the tensions and complex rivalries at play around Hindiyya between Rome the Jesuits and Eastern tribes which were also beset by feuds and alliances He makes extensive use of a wide variety of sources from Hindiyya s own writings to reports from her confessors and Roman inquisitors to shed light upon the Hindiyya affair Hindiyya Mystic and Criminal relates the history of a woman of inflexible power of will and great charisma who managed to move beyond the circumscribed world of her girlhood and realise what she believed to be her destiny It will be of great interest to anyone seeking a deeper understanding of an affair which has been long obscured by contradictory reports or to those interested in eighteenth century Maronite Christianity and its complex interactions with the authority of Rome     The Arab Lands under Ottoman Rule Jane Hathaway,2019-12-06 The Arab Lands under Ottoman Rule assesses the effects of Ottoman rule on the Arab Lands of Egypt Greater Syria Iraq and Yemen between 1516 and 1800 Drawing attention to the important history of these regions the book challenges outmoded perceptions of this period as a demoralizing prelude to the rise of Arab nationalism and Arab nation states in the nineteenth and twentieth centuries As well as exploring political events and developments it delves into the extensive social cultural and economic changes that helped to shape the foundations of today s modern Middle and Near East In doing so it provides a detailed view of society incorporating all socio economic classes as well as women religious minorities and slaves This second edition has been significantly revised and updated and reflects the developments in research and scholarship since the publication of the first edition Engaging with a wide range of primary sources and enhanced by a variety of maps and images to illustrate the text The Arab Lands under Ottoman Rule is a unique and essential resource for students of early modern Ottoman history and the early modern Middle East     **The Middle East: A History** William Ochenwald,Sydney Nettleton Fisher,2010-01-06 Praised for its straightforward and accessible style this text provides a general introduction to the chief elements in Middle Eastern history allowing readers to proceed into more specialized topics and themes with a solid understanding of the most current scholarship in the field     **Reader's Guide to Judaism** Michael Terry,2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly     The Middle Eastern City and Islamic Urbanism Michael E.
