**Mr. Skin's Skincyclopedia** Mr. Skin, Skin, 2005 Cult hero radio personality and internet maven Mr Skin is the foremost authority on celebrity nudity At last the imitable Mr Skin has compiled his vast knowledge into this truly entertaining reference work With skinfo on more than 2000 actresses the films in which they appeared naked and their best nude scenes this is presented in a very easy to use alphabetical format This is both a hilariously alternative take on Hollywood culture and an educational guide to movie stars and really is a one of a kind book **Dangerous Curves** Jeffrey A. Brown, 2011-04-18 Dangerous Curves Action Heroines Gender Fetishism and Popular Culture addresses the conflicted meanings associated with the figure of the action heroine as she has evolved in various media forms since the late 1980s Jeffrey A Brown discusses this immensely popular character type the action heroine as an example of and challenge to existing theories about gender as a performance identity Her assumption of heroic masculine traits combined with her sexualized physical depiction demonstrates the ambiguous nature of traditional gender expectations and indicates a growing awareness of more aggressive and violent roles for women The excessive sexual fetishization of action heroines is a central theme throughout The topic is analyzed as an insight into the transgressive image of the dominatrix as a reflection of the shift in popular feminism from second wave politics to third wave and postfeminist pleasures and as a form of patriarchal backlash that facilitates a masculine fantasy of controlling strong female characters Brown interprets the action heroine as a representation of changing gender dynamics that balances the sexual objectification of women with progressive models of female strength While the primary focus of this study is the action heroine as represented in Hollywood film and television the book also includes the action heroine s emergence in contemporary popular literature comic books cartoons and video games

**The Erotic Thriller in Contemporary Cinema** Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film the erotic thriller Linda Ruth Williams traces the genre s exploitation of pornography and noir discusses mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as Basic Instinct Fatal Attraction and In the Cut to straight to video film titles such as Carnal Crimes Sins of Desire and Night Eyes Williams s witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America it also provides a vehicle for marketing those fantasies globally **Reel Knockouts** Martha McCaughey, Neal King, 2010-01-01 When Thelma and Louise outfought the men who had tormented them women across America discovered what male fans of action movies have long known the empowering rush of movie violence Yet the duo s escapades also provoked censure across a wide range of viewers from conservatives who felt threatened by the up ending of women s

traditional roles to feminists who saw the pair s use of male style violence as yet another instance of women s co option by the patriarchy In the first book length study of violent women in movies Reel Knockouts makes feminist sense of violent women in films from Hollywood to Hong Kong from top grossing to direct to video and from cop action movies to X rated skin flicks Contributors from a variety of disciplines analyze violent women s respective places in the history of cinema in the lives of viewers and in the feminist response to male violence against women The essays in part one Genre Films turn to film cycles in which violent women have routinely appeared The essays in part two New Bonds and New Communities analyze movies singly or in pairs to determine how women s movie brutality fosters solidarity amongst the characters or their audiences All of the contributions look at films not simply in terms of whether they properly represent women or feminist principles but also as texts with social contexts and possible uses in the re construction of masculinity and femininity
